## RISK FACTORS

---

*In this section, material risk factors are illustrated and discussed, including the Issuer's operational and industry risks, legal risks, financial risks as well as risks relating to the Capital Securities. The Issuer's assessment of the materiality of each risk factor is based on the probability of their occurrence and the expected magnitude of their negative impact. The description of the risk factors below is based on information available and estimates made on the date of this Prospectus. The risk factors are presented in categories where the most material risk factors in a category are presented first under that category. Subsequent risk factors in the same category are not ranked in order of materiality or probability of occurrence. Where a risk factor may be categorised in more than one category, such risk factor appears only once and in the most relevant category for such risk factor.*

### Risks relating to the Issuer

#### Risks relating to the operations and the industry

##### **COVID-19 pandemic**

The Issuer is a state-owned company that owns, operates and develops a network of ten airports in Sweden. The Issuer is therefore to a significant extent dependant on demand for air transport and airport services, which, in turn, depends on the general economic climate, primarily in Sweden where the Group conducts all of its operations. The COVID-19 pandemic has had, and will continue to have, a material adverse effect on the global economy and in particular the airline industry. As a result of the COVID-19 pandemic and the travel restrictions imposed by governments in order to prevent the spread of infection, the demand for air transport has from the middle of March 2020 to the end of June 2021 been very low. From July 2021, in connection with an increasing proportion of the world's population getting vaccinated and more and more countries started to lift their travel restrictions, the demand for air transport has slowly started to increase again and during the third quarter 2021 4,4 M (1,8 M) passengers travelled to or from Swedavia's airports.

However, as a direct consequence of the decrease in demand for air transport and airport services, the revenue from airport fees, car parking and incoming flights as well as rental income from Retail, and Food & Beverage decreased materially, which resulted in a decrease in the Group's operating income. During 2020, the Issuer's operating profit decreased to minus SEK 1,593 M (709 M), which compared to 2019 was SEK 2,302 M lower and up until the third quarter of 2021, the Issuer's operating profit decreased to minus SEK 1,119 M (-717 M) which compared to the same period for 2020 was SEK 402 M lower.

In order to reduce the negative economic effects of the decreased revenue, the Issuer has implemented furlough of employees, costs savings and an overview of the investment portfolio. During March 2020 the Issuer resolved to furlough approximately 2,300 permanent employees, which by then constituted approximately 85 per cent. of the Issuer's total employees. Further, the Issuer also resolved to give notice of termination to 800 of its employees as a result of the material decrease in the demand for the Issuer's services. The future demand on the Issuer's services continue to be uncertain and the demand for air transport is to a substantial part dependent on further reductions of the travel restrictions that still applies for some countries. Although the demand for air transport has slowly started to increase, the number of passengers travelling to and from Swedavia's airports during the third quarter 2021 are still only around 40 per cent. of the volumes seen prior to the COVID-19 pandemic. It is uncertain when and to what extent the Issuer can resume its business of operations as conducted before COVID-19. A continuing spread of infection of COVID-19, new outbreaks and the consequences thereof are difficult to anticipate. This have had, and may continue to have, a material effect on the Issuer's business, results of operations and financial position.

##### ***The Issuer is exposed to risks related to slow recovery for the aviation industry after the COVID-19 pandemic***

The COVID-19 pandemic has caused a global crisis for the aviation industry and consequently for the Issuer. During 2020, travel at the Issuer's airports decreased 74 per cent to 10,3 million passengers compared to 40,2 million passengers in 2019. During the first nine months of 2021, 6,9 million passengers flew to or from the Issuer's airports, compared to 30,8 million passengers in the same period 2019. For 2022, the Swedish Transport Agency (*Transportstyrelsen*) estimates that the impact by the COVID-19 pandemic will result in an overall reduction on the volumes of passengers of approximately 38.4 per cent compared to 2019 levels.<sup>1</sup>

As a result of the current market conditions within the aviation industry, there is a material uncertainty with respect to future air travels. Many countries did release some of the imposed restrictions during the summer of 2020, but due to the increase in the spread of infection of COVID-19, the restrictions have in many countries been re-imposed, which have resulted in further decrease in air travels. The COVID-19 pandemic has caused an economic decrease which have affected our behaviours and resulted in more digital meetings, which in turn have affected

the number of business travels. The COVID-19 pandemic has also led to an increased concern for health related issues in relation to travels. In the light of the above, the Issuer expects a longer recovery period compared to previous economic downturns. As the spread of infection is difficult to foresee, it is not possible to with certainty anticipate for how long the recovery period will last and hence which consequences the COVID-19 pandemic will have on the aviation industry in the short term as well as in the long term. The Issuer's current evaluation is that the aviation industry's recovery period will be long and that the negative effects will be long-lasting. Accordingly, this could have a material effect on the Issuer's business, results of operations and financial position.

***The Issuer is exposed to risks related to the economic climate and geopolitical conditions***

The global reach of the aviation industry means that it is sensitive to changes in the international political landscape, as these could quickly affect demand and conditions for air travel between different countries and regions. Recent examples include uncertainties relating to Brexit and the China-United States trade dispute. Further, the airline industry's dependence on jet fuel also results in the aviation market's sensitivity to the global oil market, which may be adversely affected by, for instance, prolonged hostilities or terrorist attacks in the Middle East or other oil-producing regions. There is a risk that geopolitical tensions impact demand of leisure and business travellers' demand for flights as well as potentially impeding airline's supply of fuel or other inputs, which would adversely affect the Group's net revenue and results of operations. Accordingly, macro-economic and geopolitical factors may significantly affect the Issuer's business, financial position and results of operations.

***The Issuer is exposed to decreases in passenger volumes***

Since the Issuer started conducting operations in 2010, the passenger growth has amounted to around 5 per cent. per year, and cargo volumes have also increased as a result of growing trade. However, during the fourth quarter 2018, passenger volumes at the Issuer's airports fell for the first time in many years due to a decrease in domestic travel and a slower growth rate in international travel, and during 2019, passenger volumes did continue to fall. A contributing factor to the passenger decline is arguably the ongoing climate debate with its focus on reducing air travel.

Furthermore, during 2020, the Issuer's airports had 10.3 million passengers, which corresponds to a decrease by 74 per cent. compared to 2019. The reason behind this decrease is mainly due to the outbreak of the COVID-19 pandemic (please refer to the risk factors "*COVID-19 pandemic*" and "*The Issuer is exposed to risks related to slow recovery for the aviation industry after the COVID-19 pandemic*") above.

There is a risk that passenger volumes maintain a slower growth rate than expected or continue to decrease as a result of the environmental impact of the air transport industry and the increasing anti-flying movement affecting passengers' travel behaviour. There is further a risk that passenger volumes are negatively affected by the Issuer's failure to identify new customer needs and, in a timely manner, find innovative and attractive solutions to such needs in line with customer expectations.

In April 2021, the government announced its intentions to close Bromma Stockholm Airport ahead of time and initiated an investigation of the implications of such closure. In August 2021, the investigator submitted his conclusions to the government. Those conclusions are now on a consultation procedure. In September 2021, the Issuer submitted its overall conclusions of an impact assessment, based on commercial considerations. However, a closure of Bromma airport would need to be made with broad political support and currently there is no such broad support and no further decisions have been made on the issue and, therefore, the Issuer continues to operate Bromma Stockholm Airport as effective as possible. A potential decision to close down Bromma Stockholm Airport will result in a need for the Issuer to write-down assets.

Moreover, the number of passengers traveling to or from any of the Issuer's airports constitutes the basic condition for all revenue the Group generates. In 2020, 45 per cent. of the Group's total net revenue was generated from airport fees, comprising passenger and take-off charges. A change in the number of aircraft movements, aircraft tonnage and the number of passengers directly affects the Issuer's revenue. The Issuer's other revenue comes from Commercial Services, which is revenue from commercial services connected with the airport. This consists of revenue from car parking and the leasing of premises for shops, offices, restaurants and logistics, and it is thus also linked to passenger volumes. As of 31 December 2020, a change in passenger growth of 1 per cent. would have an impact on the Issuer's total revenue of SEK 14 M on an annualised basis.

Accordingly, since all of the Group's revenue is linked to passenger volumes, a significant decrease in passenger volumes would have a material adverse effect on the Group's business and results of operations.

***The Issuer is exposed to disruptions related to serious incidents as well as general business interruptions***

In addition to the risks described in the risk factors "*COVID-19 pandemic*" and "*The Issuer is exposed to risks related to slow recovery for the aviation industry after the COVID-19 pandemic*", the occurrence of extraordinary

events such as activity from volcanoes, other natural or man-made disasters or extreme weather conditions, in particular if such events occur in the Swedish airspace or otherwise in the region around any of the destinations reached from the Issuer's airports, would typically adversely affect the Issuer and its business. Should climate changes result in more extreme weather conditions in Sweden, such as more severe and frequently occurring storms, wildfires, floods and snowstorms, there is a risk that such weather conditions lead to temporary, or permanently, closure of the Issuer's airports, technical interruptions, delayed and cancelled flights, reduced handling capacity and ground transport access, which would interfere with and disrupt the Issuer's operations. For example, the volcanic ash from the Eyjafjallajökull volcano in Iceland in 2010 led to the entire Swedish airspace being shut down for a few days, as well as the majority of the European airspace, which implied that there was no air traffic from or to the Issuer's airports during that time. The disruption due to the volcanic eruption was estimated to adversely affect the Group's results by SEK 55 M. Accordingly, increased extreme weather conditions as a consequence of climate change would typically negatively affect the Issuer's business, financial condition and results of operations.

Furthermore, acts of terror, political uprisings, armed conflicts and other serious incidents, or any actual or perceived risk thereof, present a significant risk to the aviation industry as a result of consequential reduction in demand for air travel, limitations on the availability of insurance coverage, increase in insurance premiums and costs associated with additional security precautions and the imposition of flight restrictions over conflict zones. Terrorist attacks and terrorist threats occur within Europe on an irregular basis, and airports are considered a strategic important social function that are exposed to terrorist-related threats.

In order to carry out and maintain its operations, the Issuer is dependent on certain equipment, systems, utilities, and processes, which typically are vulnerable to, and can be disrupted by, among other things, equipment breakdown, internal failure, software error, physical damage, sabotage, cyberattacks or other events beyond the Issuer's or its suppliers' control. Any extensive outages or disruptions as a consequence of such events, for example, of the Issuer's equipment and systems to monitor the safety at its airports would also have a material adverse effect on the Issuer's operations. The degree to which extreme weather conditions, natural disasters, terrorist attacks and other serious incidents as well as general business interruptions may affect the Issuer is uncertain and presents a highly significant risk to demand for travel and the Group's operations.

### ***The Issuer is dependent on maintaining its airline customers***

In 2020, the revenue from the Group's Aviation Business, which includes airport related services directed to airlines and ground handling services, amounted to approximately 45 per cent. of the Group's total revenue. The Group generates income from the Aviation Business by airport fees, comprising passenger and take-off charges. These charges are regulated and principally levied on the basis of passenger numbers, the number of flight movements and maximum total aircraft weight. Changes in the number of flight movements, total aircraft weight and passenger numbers directly affect the Issuer's net revenue, and accordingly, the Issuer is dependent on maintaining its airline customers. However, the airline industry is highly susceptible to adverse economic development. Demand for airlines' services depends to a significant extent on general economic and industry conditions, such as unemployment levels, consumer confidence and the availability of consumer and business credit. Accordingly, the airline industry tends to experience significant adverse financial results during general economic downturns.

The COVID-19 pandemic has resulted in that many of the Group's important airlines customers have faced material economic challenges. Certain of the Issuer's significant airlines customers either are, or have previously been, involved in restructuring (*företagsrekonstruktion*). If any of the Group's important airlines customers were to face insolvency or bankruptcy, or for any other reason were to terminate their agreements the Issuer or reduce flights to and from the Issuer's airports, it would have significant negative consequences for the Group in terms of major traffic disruption and reduced traffic, which would negatively affect the Issuer's profitability. Accordingly, the loss of an important airline customer may significantly affect the Group's revenue and results of operations.

### ***The Issuer is dependent on attracting and retaining key employees***

The Issuer is dependent on being able to attract, develop, retain and incentivise employees possessing key skills with respect to, among other things, technical development, safety and security, environmental impact and working environment. For the financial year 2020, the average number of employees totalled 2,600 compared to 3,050 the year before. During 2020, the Issuer has furloughed approximately 2,300 of its employees and gave notice of termination to 800 of its employees.

If the Issuer fails to recruit and retain employees possessing the right skills, experience and values, the Issuer's airport development projects and continued development of the organisation risks being delayed or not successfully implemented, and it may be difficult to comply with more stringent security requirements, which in turn risks to adversely affect the Group's business and competitiveness.

Furthermore, to attract and retain the right personnel, the Issuer might need to increase its remuneration levels, which could adversely affect the Issuer's results of operations. In 2020, staff expenses totalled SEK 1,550 M. As of 31 December 2020, a 1 per cent. change in staff expenses would have an effect of SEK 17 M on an annualised basis. Conversely, if the Issuer were to offer excessively low remuneration levels, this might lead to employees choosing to terminate their employments, which could result in a lack of resources and competence and would adversely affect the Issuer's current and future operations.

## **Legal risks**

### ***The Issuer is exposed to environmental-related risks***

The air transport industry is subject to numerous environmental regulations and laws due to the significant environmental impact of its operations. The primary source of the Group's emissions is exhaust gases from vehicles and the operation of terminals and other buildings. Another significant environmental impact is the discharge to land and water primarily of oxygen-consuming substances from the anti-skid treatment of runways and de-icing of aircraft.

The areas in the vicinity of the airports are also exposed to aviation noise. As a consequence of its environmental impact, the Issuer's airport operations are considered as environmentally hazardous activities under the Swedish Environmental Code (*Miljöbalken*), and accordingly, the Issuer must hold environmental permits for each of its airports in order to be permitted to operate. The Issuer further carries out certain water operations related to ponds, water treatment facilities and groundwater run-off subject to permit requirements pursuant to the Swedish Environmental Code. As of 31 December 2020, the Issuer was responsible for eight airports that require an environmental permit under the Swedish Environmental Code. For the other two airports, Luleå Airport and Ronneby Airport, the Swedish Armed Forces (*Försvarsmakten*) was responsible for the environmental permits. If the Issuer would fail to obtain required permits, or, to a significant extent, violates terms in permits, it could jeopardise the Group's ability to conduct its operations at the airports in question.

In addition, the Issuer may be held liable to investigate and rectify contamination and emissions at the Group's airports and on property owned or previously owned by the Group, irrespective of whether the Issuer has caused the contamination or whether the operation which caused the contamination was lawful at the time the contamination occurred. The Issuer may also be subject to claims from public authorities, private individuals, companies or other parties who request compensation for alleged personal injury, property damage or damage to nature caused by contamination or hazardous substances resulting from the Issuer's airport operations. The degree to which environmental risks may affect the Issuer is uncertain and presents a highly significant risk to the Group's operations.

### ***The Issuer is exposed to risks related to legal and administrative procedures***

The Issuer's airport operations are primarily regulated by, among others, the Swedish Environmental Code, Swedish Civil Aviation Act, Swedish Civil Aviation Security Act, Swedish Aerodrome Ground Services Act and Swedish Act on Airport Charges. In addition, the Issuer has to comply with numerous other Swedish and European laws and regulations. Accordingly, the Issuer is, and may in the future be, a party to ongoing litigations and disputes as either plaintiff or defendant, or subject of investigations from public authorities. Disputes usually relate to claims arising in the ordinary course of business and, consequently, legal proceedings primarily occur in relation to construction contracts, rental contracts, other business contracts and procurement. Investigations from public authorities occur primarily in relation to aviation law, competition law and environmental law. For example, during the second quarter of 2020, Swedavia was sued in court regarding a rental dispute for premises located at Stockholm Arlanda Airport.

In October 2020 the Issuer received a shareholder contribution of SEK 2,5 billion from its owner, the Swedish State. The government of Sweden (the "**Government**") is responsible for making the determination regarding whether or not the shareholder contribution could be considered to constitute state aid and if any state aid notification is required to be made by it to the European Commission. Following a so called market economy operator principle assessment, the Government did not consider the shareholder contribution to constitute state aid and consequently have not made any state aid notification to the European Commission. However, a complaint has been made to the European Commission regarding the shareholder contribution and the Government has the possibility to make a notification pursuant to either article 107(2)(b) of the Treaty on the Functioning of the European Union ("**TFEU**") or article 107(3)(b) TFEU and the European Commission's Temporary Framework for State aid measures to support the economy in the current COVID-19 outbreak.

If notification under either article 107(2)(b) or 107(3)(b) TFEU is made there is a risk that the European Commission could come to an unfavourable decision and not authorise the Swedish State's shareholder contribution (in part or in full) to the Issuer. There is also a risk that appeals or complaints will be filed against an authorisation decision by the European Commission. If no notification is made, or If appeals or complaints are filed against an authorisation decision by the European Commission, there is risk that the General Court of the

European Union (and in case of appeal, the European Court of Justice) could come to an unfavourable conclusion to the effect that the shareholder contribution constitutes state aid, which could lead to repayment in part or in full which in turn could materially adversely affect the Issuer's financial position.

Furthermore, should the Government decide to make a notification pursuant to article 107(2)(b) or article 107(3)(b) of the TFEU there is a risk that received state restructuring aid of SEK 441 M pursuant to *Lag (2020:548) om omställningsstöd* would need to be repaid, which could negatively affect the Issuer's financial position.

It may be difficult to foresee the risk, or possible outcome, of litigations, disputes and matters, some of which may be unfavourable for the Issuer and materially adversely affect the Group's results of operations and financial position. In such cases, the Issuer risks to incur significant costs and there is a risk that the measures taken to protect against the impact of such costs may be insufficient. Adverse publicity in connection with legal proceedings further risks to damage the Issuer's reputation. Legal and administrative proceedings are unpredictable in nature, and there is a risk that the actual outcome may differ from the assessments that the Issuer has made. The degree to which legal and administrative procedures may affect the Issuer is uncertain, and presents a highly significant risk to the Issuer's business, results of operations and financial position.

### ***The Issuer is exposed to tax-related risks***

The Issuer is exposed for taxes relating to, among others, company tax, real estate tax and energy tax. There is a risk that the Issuer's understanding and interpretation of tax laws, tax treaties and other provisions is not correct in all respects. In 2019, the Issuer's tax expenses totalled SEK 93 M, with an effective tax rate of 26.6 per cent. In 2020, the issuer instead had a tax income which totalled SEK 316 M due to the negative profit of the year. There is a risk that the Issuer's prior or present tax position may change as a result of decisions of tax authorities or changes in tax laws and regulations, possibly with retroactive effect, which may have an adverse effect on the Issuer's results of operations and financial position.

The aviation industry is further subject to extensive taxes, and increased taxes or policy decisions relating to the aviation industry could result in higher fares for passengers and declined demand for air travel. For example, in 2018, a Swedish national aviation tax, imposing a distance based tax on air travels with take-off in Sweden was introduced. The effects of the aviation tax have not yet been fully evaluated, but it has led to higher fares for passengers and probably suppressed demand for air travels. However, the outbreak of the COVID-19 pandemic makes it difficult to evaluate any permanent, or future, effects of the imposed aviation tax in relation to the Issuer's results of operations and financial position. The degree to which taxes or policy decisions relating to the aviation industry may affect the Issuer is uncertain, and presents a significant risk to the Issuer's results of operations and financial position.

## **Financial risks**

### ***The Issuer is exposed to interest rate risks***

Interest rate risk refers to the risk of a negative effect on results and cash flow in the event of a lasting change in the market rate, which primarily affects the Issuer's interest expenses through changed borrowing costs. As of 31 December 2020, the Issuer had external borrowings of SEK 9,734 M, which was 39 per cent. of the balance sheet. As of 31 December 2020, an increase in interest rates of 1 percentage point would have increased the Issuer's interest expense by SEK 13 M, which means that profit before tax would decrease by the same amount. Current lock-in periods and financial instruments are taken into account in calculating the sensitivity analysis. Increased market rates that, to a significant extent, affect the Issuer's interest costs would have a material adverse effect on the Group's results of operations and financial position.

Further, interest changes also affect the Issuer's pension liability. As of 31 December 2020, the Group's provisions for pensions amounted to SEK 903 M. The Issuer's calculation of provisions for pensions are based on a number of assumptions. One of the most critical assumptions for the calculation is the discount rate which is based on the market rate, and should the market rate decrease, the provisions for pensions would increase. Accordingly, a decrease in the market rate would probably imply that the Issuer must add funds to its provisions for pensions, which would adversely affect the Issuer's expenses and results of operations. As of 31 December 2020, the sensitivity analysis in relation to a change to the discount rate had the following outcome: if the discount rate would decrease with 0.5 per cent., this would increase the Issuer's obligations in the amount of SEK 70 M. If the discount rate would increase with 0.5 per cent., this would decrease the Issuer's obligations in the amount of SEK 63 M.

### ***The Issuer is exposed to credit risks***

Credit risk refers the risk of losses if counterparties fail to perform their obligations. The Issuer's maximum exposure to credit risks corresponds to the book value of financial assets, including derivatives with a positive market value, which on 31 December 2020 amounted to SEK 2,423 M, of which SEK 328 M related to trade

receivables (of which SEK 80 M had fallen due). If the Issuer is unable to collect its trade receivables, it risks having a material adverse effect on its results of operations and financial position.

The exposure to credit risks, in addition to the Issuer's trade receivables, arises when the Group invests liquid assets as well as in the form of counterparty risks when the Group enters into an agreement on financial instruments with banks. There is also a risk that the measures taken to offset the Issuer's credit risks are insufficient or ineffective, and that the Group fails to implement and manage any hedging arrangement, which risks to have a material adverse effect on its results of operations and financial position.

### ***The Issuer is exposed to liquidity and refinancing risks***

Liquidity risk refers to the risk of not having access to cash and cash equivalents or undrawn lines of credits to in order to perform payment obligations. Refinancing risk refers to the risk that refinancing of the Group's capital requirements and outstanding borrowings is rendered more difficult or more expensive.

There is a risk that the Issuer is unable to repay debts as they fall due (the average maturity on the Issuer's borrowings on 31 December 2020, was 4.2 years (5.0 years), as a result of, among other things, the Group being unable to generate sufficient cash flows from operating activities. The ability to secure capital financing through loans on favourable terms or at all depends on number of factors beyond the Issuer's control, including conditions prevailing at the time on the international credit and capital markets. The Issuer's ability to sell assets (insofar as it is permitted pursuant to terms in loan agreements) and to use the revenues to repay maturing debts also depends on factors beyond the Issuer's control, including there being willing buyers and the value of the assets. If the Issuer fails to repay its existing or future debts, to renew or refinance existing or future credit facilities on acceptable terms or at all, or to perform existing financial obligations, this would have a material adverse effect on the Group's liquidity, results of operations and financial position. Furthermore and as described in the risk factor "*The Issuer is exposed to risks related to legal and administrative procedures*" above, should an investigation of the shareholder contribution received by the Issuer result in an unfavourable decision against the Issuer, the Issuer could be under an obligation to repay the shareholder contribution which could materially adversely affect the Issuer's financial position. The degree to which liquidity and refinancing risks may affect the Issuer is uncertain and presents a significant risk to the Group's liquidity and financial position.

### ***The Issuer is exposed to exchange rate risks***

Exchange rate risk is defined as the risk that movements in currency prices will have a negative impact on the Group's profit, financial position and/or cash flow. The Group's reporting currency is SEK, but the Issuer generates income and purchasing costs in a number of currencies, which exposes the Group to currency risks and exchange rate fluctuations that affect the Group's operating profit. The currencies to which the Issuer is primarily exposed are EUR and USD.

The Issuer shall, according to its internal policies, hedge its net positions over a countervalue of SEK 1 M with a repayment date within two years by appropriate hedge instruments up to an amount of at least 75 per cent. of the aggregated value. This implies that there are a theoretical exposure of 25 per cent. in total, which per 31 December 2020 constituted a nominal amount of SEK 66 M. An unfavourable exchange difference of 10 per cent. in such scenario would result in a negative effect on the Issuer's result in the amount of SEK 7 M.

The Issuer is also exposed to risks where suitable hedge instruments for the types of risk to which the Group is exposed are not available at a reasonable cost or at all. In addition, there are risk related to the use of such hedging instruments, for example that the Issuer does not have the possibility to use favourable exchange rate conversions. Hedging may thus lead to large losses. These losses may arise for various reasons, for example a counterparty failing to perform its obligations under an applicable hedging agreement, shortcomings in the agreement, or non-compliance with the Issuer's internal hedging policies and procedures, or such policies and procedures failing to function as they should. The degree to which exchange rate risks may affect the Issuer is uncertain and presents a significant risk to its results of operations and financial position.

### ***The Issuer is exposed to risks relating to changes in accounting standards***

The Issuer prepares its financial statements in accordance with International Financial Reporting Standards ("**IFRS**") and International Accounting Standards ("**IAS**") as adopted by the EU. Future changes in IFRS or IAS may lead to significant changes in the reported financial statements of the Issuer.

The Capital Securities are treated as equity pursuant to IAS 32 Financial Instruments, and consequently, the Capital Securities will not be accounted for as financial liabilities. However, in June 2018, the International Accounting Standard Board (the "**IASB**") published the discussion paper "*Financial Instruments with Characteristics of Equity*" (the "**Discussion Paper**"). The Discussion Paper sets out the IASB's preferred approach to classification of a financial instrument such as the Capital Securities, from the perspective of an issuer, as a financial liability or an equity instrument. The changes to the accounting standards addressed in the Discussion Paper would, if implemented, likely lead to financial instruments such as the Capital Securities being classified as financial

liabilities rather than equity as per the current accounting standards. In February 2021, IASB tentatively decided not to change how such instruments should be classified as proposed in the Discussion Paper but instead look to develop presentation and disclosure requirements in relation to them. If the changes to the accounting standard proposed in the Discussion Paper or any similar proposal would be implemented, it would most likely lead to the Capital Securities being classified as financial liabilities of the Issuer which in turn would have a negative impact on the Issuer's financial position and the amount of financial liabilities. Further, if the Capital Securities are classified as financial indebtedness it would lead to the occurrence of an Accounting Event (see "*Redemption of the Capital Securities*" below).

## **Risks relating to the Capital Securities**

### **Risks relating to the nature of the Capital Securities**

#### ***The Capital Securities are subordinated to most of the Issuer's liabilities***

The Capital Securities are intended to constitute deeply subordinated debt obligations of the Issuer. This means that if the Issuer is subject to any dissolution, winding-up, liquidation, restructuring (*företagsrekonstruktion*), administrative or other bankruptcy or insolvency proceedings, the Holders normally receive payment after all other creditors have been paid in full. If the Issuer is declared insolvent and a winding up is initiated, it will be required to pay the holders of senior debt and meet its obligations to all its other creditors (including unsecured creditors of all Subordinated Indebtedness) in full before it can make any payments on the Capital Securities. If this occurs, there is a risk that the Issuer does not have enough assets remaining after these payments to pay amounts due under the Capital Securities, which presents a significant risk for a single Holder.

In the event of an Issuer Re-construction (as defined in the Terms and Conditions), unsecured debt could be subject to a mandatory write-down provided that a qualified majority of the unsecured creditors has approved such write-down. There is a risk that claims in respect of the share capital of the Issuer are not subject to loss absorbing measures under an Issuer Re-construction. Consequently there is a significant risk that the Capital Securities will be, partly or completely, written-off, resulting in Holders not recovering their investment in Capital Securities upon an Issuer Re-construction and, thereby, presents a significant risk for the Holders.

In the event of a shortfall of funds on an Issuer Winding-up or Issuer Re-construction, there is a significant risk that a Holder of the Capital Securities will lose all or most of its investment and will not receive any return of the principal amount or any accrued and unpaid interest (including any Deferred Interest). By virtue of such subordination, payments to a Holder will, in the events described in the relevant Terms and Conditions, only be made after all obligations of the Issuer resulting from higher ranking claims have been satisfied. A Holder may therefore recover less than the Holders of unsubordinated or other subordinated liabilities of the Issuer that are senior to the Capital Securities.

Subject to applicable law, no Holder may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer in respect of, or arising under or in connection with the Capital Securities and each Holder shall, by virtue of its holding of any Capital Security, be deemed to have waived all such rights of set-off, compensation or retention.

#### ***Holdes of the Capital Securities have very limited rights in relation to the enforcement of payments on the Capital Securities***

The Holders' rights of enforcement in respect of payments under the Capital Securities are subject to significant limitations. If a default is made by the Issuer for a period of 30 days or more in relation to the payment of any interest, principal or premium in respect of the Capital Securities which is due and payable, the rights of the Holders in respect of the Capital Securities are limited to instituting proceedings for an Issuer Winding-up, and the Holders may prove and/or claim in respect of the Capital Securities in an Issuer Winding-up. In addition, the Holders shall not be entitled to accelerate payments of interest or principal under the Capital Securities in any circumstances outside an Issuer Winding-up which, presents a risk that the Holders do not recover their investments in Capital Securities.

Furthermore, whilst the Holders may institute other proceedings against the Issuer to enforce the terms of the Capital Securities, the Issuer shall not, by virtue of such proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it. Accordingly, the Holders' rights of enforcement in respect of payments under the Capital Securities are very limited, thus presenting a significant risk for a single Holder.

#### ***The Capital Securities have no maturity date***

The Capital Securities are perpetual meaning that the Capital Securities have no specified maturity date. The Issuer is not obliged to redeem the Capital Securities at any time and Holders have no option to redeem the Capital Securities at any time. The Issuer may only redeem the Capital Securities in the circumstances described in Clause 11 (*Redemption and repurchase of the Capital Securities*) of the Terms and Conditions.

Holders are thus required to bear financial risks of the investment in the Capital Securities for a long period of time and may not recover their investment before a redemption of the Capital Securities (if any) at the discretion of the Issuer (in particular if there is no active trading on the secondary market). Accordingly, there is a risk that Holders may lose the whole, or parts of, their investment in the event the Issuer chooses to not redeem the Capital Securities.

### ***The Issuer may defer interest payments***

The Issuer may, at any time and in its sole discretion (except on an Interest Payment Date on which the Capital Securities are to be redeemed), elect to defer any Interest Payment, in whole or in part, which would otherwise be paid on any Interest Payment Date. If interest is deferred in accordance with the Terms and Conditions, the Issuer has no obligation to make such payment on the relevant Interest Payment Date and any such non-payment of interest does not constitute a default or any other breach of obligations under the Capital Securities, and risks leading to the Holders not receiving a return on their investment.

Any actual or anticipated deferral of interest payments will be likely to have an adverse effect on the market price of the Capital Securities. In addition, as a result of such interest deferral provisions of the Capital Securities, the market price of the Capital Securities may be more volatile than the market prices of other debt securities on which interest accrues that are not subject to the above provisions and may be more sensitive generally to adverse changes in the Issuer's financial condition. The degree to which the market price of the Capital Securities may vary is uncertain and presents a significant risk to the value of, and the possibility to trade, the Capital Securities.

### ***Redemption of the Capital Securities***

Upon the occurrence of an Accounting Event, a Substantial Repurchase Event, a Tax Event, a Withholding Tax Event, or a Change of Control Event, the Issuer may redeem the Capital Securities in whole, but not some only, at any time together with any Deferred Interest and any accrued and unpaid interest. If the Capital Securities are redeemed, Holders are entitled to receive a redemption amount, which may exceed the nominal amount of the Capital Securities. There is a risk that the market value of the Capital Securities is higher than the amount received at redemption and that it is not possible for Holders to reinvest such proceeds at an effective interest rate as high as the interest rate on the Capital Securities and may only be able to do so at a significantly lower rate. Accordingly, this presents a significant risk for a single Holder.

### ***Risks relating to the admission of the Capital Securities to trading***

#### ***There has been no active trading market for the Capital Securities and an established trading market for the Capital Securities may not develop***

Pursuant to the Terms and Conditions, the Issuer shall use its best efforts (without assuming any legal or contractual obligation) to apply for the Capital Securities to be admitted to trading on the corporate bond list of Nasdaq Stockholm (or another Regulated Market) but there is a risk that such application will not be accepted or that the Capital Securities will not be so admitted. A failure to admit the Capital Securities to trading risks having a negative impact on the market value of the Capital Securities.

Prior to any admission to trading, there has been no public market for the Capital Securities. Even if an admission to trading will occur, there is a risk that an active trading market for the Capital Securities will not evolve or, if evolved, will not be sustained. The nominal amount of the Capital Securities may not be indicative of their market value after being admitted for trading on Nasdaq Stockholm (or another Regulated Market). Furthermore, following an admission to trading of the Capital Securities, the liquidity and trading price of the Capital Securities may vary substantially as a result of numerous factors, including market fluctuations and general economic conditions and irrespective of the performance of the Issuer and the Group. Capital Securities may be acquired by the Issuer and subsequently be cancelled by the Issuer, provided that the aggregate principal amount of the Capital Securities subject to such cancellation represents eighty (80) per cent. or more of the aggregate principal amount of the Capital Securities issued. The degree to which the liquidity and the trading price of the Capital Securities may vary is uncertain, and risks leading to the Holders not recovering their investments in the Capital Securities. In addition, transaction costs in any secondary market may be high, which also presents a risk to the Holders not recovering their investments in the Capital Securities.

Therefore, Holders may not be able to sell their Capital Securities at the desired time or at a price level that will provide them with a yield comparable to similar investments that have a developed secondary market. Accordingly, the purchase of Capital Securities is suitable only for Holders who can bear the risks associated with a lack of liquidity in the Capital Securities and the financial and other risks associated with an investment in the Capital Securities. The degree to which the market value of the Capital Securities may vary is uncertain, and presents a significant risk for Holders' investment in the Capital Securities.

Further, if the Issuer fails to procure the admission to trading in time, Holders holding Capital Securities on an investment savings account (*investeringssparkonto*) will no longer be able to hold the Capital Securities on such account and, thus, presents a significant risk to such Holder's tax situation.

### **Other risks relating to the Capital Securities**

#### ***European Benchmarks Regulation***

In order to ensure the reliability of reference rates (such as STIBOR), legislative action at EU level has been taken. Hence, the so-called Benchmark Regulation (Regulation (EU) 2016/1011) entered into force on 1 January 2018. The Benchmark Regulation regulates the provision of reference values, reporting of data bases for reference values and use of reference values within the EU. Since the Benchmark Regulation has only been applicable for a short period of time, the effects of it so far are difficult to assess. However, there are future risks that the Benchmark Regulation affects how certain reference rates are determined and how they are developed. This in conjunction with increased administrative requirements is likely to lead to a reduced number of entities involved in the determination of reference rates, which, in such case, would lead to a certain reference interest ceasing to be published. If this is the case for STIBOR, and e.g. the relevant fall-back solution evident from the Terms and Conditions should not work properly or negatively for either or both of the Issuer or the Holders, this may lead to difficulties with determination and calculating interest which in turn risks leading to costly and time consuming discussions (and maybe even disputes) in respect of the matter, which in each case risks having an adverse effect on the Capital Securities, the Issuer and/or the Holders.

### **Voluntary Redemption due to an Accounting Event, a Substantial Repurchase Event, a Tax Deductibility Event or a Withholding Tax Event**

Upon the occurrence of an Accounting Event, a Substantial Repurchase Event, a Tax Deductibility Event or a Withholding Tax Event which is continuing the Issuer may, subject to Clause 12 (*Preconditions to Special Event Redemption or Change of Control Event Redemption*) of the Terms and Conditions, redeem all, but not some only, of the Capital Securities at an amount equal to:

- (a) 101 per cent. of their principal amount, where such redemption occurs before the First Call Date; or

See further in Clause 8 (*Payments in respect of the Capital Securities*) of the Terms and Conditions.

## **Interest, default interest and deferral interest**

### **Interest for Floating Rate Capital Securities**

Each Floating Rate Capital Security carries Interest at the Interest Rate applied to the Nominal Amount from (but excluding) the Issue Date up to (and including) the relevant Redemption Date.

Interest accrues during an Interest Period. Subject to Clause 10 (*Optional Interest Deferral*) of the Terms and Conditions, Payment of Interest in respect of the Capital Securities shall be made to the Holders on each Interest Payment Date for the preceding Interest Period.

Interest shall be calculated on the basis of the actual number of days in the Interest Period in respect of which payment is being made divided by 360 (actual/360-days basis).

The Interest Rate is calculated as the Base Rate (STIBOR three (3) month or any reference rate replacing STIBOR three (3) month in accordance with Clause 17 (*Replacement of Base Rate*) of the Terms and Conditions of the Floating Rate Capital Securities plus the applicable Margin, as adjusted by any application of Clause 17 (*Replacement of Base Rate*) of the Terms and Conditions of the Floating Rate Capital Securities (and if any such total rate is below zero then the Interest Rate will be deemed to be zero).

The applicable Margin is:

- (a) in respect of the period from (but excluding) the Issue Date to (and including) the First Call Date, 2.00 per cent. *per annum*; and
- (b) in respect of the period from (but excluding) any Reset Date, the Margin applicable for the period to (and including) such Reset Date increased by 500 basis points *per annum*.

### **Interest for Fixed Rate Capital Securities**

Each Fixed Rate Capital Security carries Interest at the Interest Rate applied to the Nominal Amount from (but excluding) the Issue Date up to (and including) the relevant Redemption Date.

Interest accrues during an Interest Period. Subject to Clause 10 (*Optional Interest Deferral*) of the Terms and Conditions, Payment of Interest in respect of the Capital Securities shall be made to the Holders on each Interest Payment Date for the preceding Interest Period.

Interest shall be calculated on the basis of a 360-day year comprised of twelve (12) months of thirty (30) days each and, in case of an incomplete month, the actual number of days elapsed (30/360-days basis).

The Interest Rate is (a) in respect of the period from (but excluding) the Issue Date to (and including) the First Call Date, a fixed rate of 2.632 per cent. *per annum*; and (b) in respect of the period from (but excluding) any Reset Date, the Interest Rate applicable for the period to (and including) such Reset Date increased by 500 basis points *per annum*.

### **Step-up after a Change of Control Event**

Notwithstanding any other provision of Clause 9 (*Interest*) of the Terms and Conditions, if the Issuer does not elect to redeem the Capital Securities in accordance with Clause 11.5 (*Change of Control Event*) following the occurrence of a Change of Control Event, the then prevailing Interest Rate, and each subsequent Interest Rate otherwise determined in accordance with the provisions of Clause 9 (*Interest*) of the Terms and Conditions, on the Capital Securities shall be increased by 500 basis points *per annum* with effect from (but excluding) the Change of Control Step-up Date up to (and including) the relevant Redemption Date.

### **Default interest**

If the Issuer fails to pay any amount payable by it pursuant to Clause 10.3 (*Mandatory settlement*) or Clause 11 (*Redemption and repurchase of the Capital Securities*) (except for Clause 11.1 (*No maturity*), Clause 11.2 (*Purchase of Capital Securities by Group Companies*) and Clause 11.8 (*Cancellation of Capital Securities*)) of the Terms and Conditions on its due date, default interest shall accrue on the overdue amount from (but excluding) the relevant due date up to (and including) the date of actual payment at a rate which is 200 basis points *per annum* higher than the Interest Rate. Accrued default interest shall not be capitalised. No default interest shall accrue where the failure to pay was solely attributable to the Agent or the CSD, in which case the Interest Rate shall apply instead.

### **Deferral of Interest Payments**

The Issuer may, at any time and at its sole discretion, elect to defer any Interest Payment, in whole or in part, on any Interest Payment Date (except on an Interest Payment Date on which the Capital Securities are to be redeemed) by giving notice of such election to the Holders, the Issuing Agent and the Agent in accordance with Clause 23 (*Notices*) of the Terms and Conditions of the Floating Rate Capital Securities or Clause 22 (*Notices*) of the Terms

and Conditions of the Fixed Rate Capital Securities not less than seven Business Days prior to the relevant Interest Payment Date. Notwithstanding the foregoing, failure to give such notice shall not prejudice the right of the Issuer to defer any Interest Payment as described above.

See further in Clause 10 (*Optional Interest deferral*) of the Terms and Conditions.

## Use of benchmarks

Interest payable for the Floating Rate Capital Securities will be calculated by reference to the benchmark STIBOR (or any reference rate replacing STIBOR in accordance with Clause 17 (*Replacement of Base Rate*) of the Terms and Conditions of the Floating Rate Capital Securities). STIBOR is provided by Swedish Financial Benchmark Facility. At the date of this Prospectus, Swedish Financial Benchmark Facility does not appear on the register of administrators and benchmarks maintained by ESMA pursuant to Article 36 of Regulation (EU) 2016/1011 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds (the “**Benchmark Regulation**”) but has indicated that it is in the process of seeking authorisation from the Swedish Financial Supervisory Authority (*Finansinspektionen*) (the “**SFSA**”) to operate as an approved administrator under the Benchmarks Regulation and intends to submit a formal application for authorisation as administrator for STIBOR during 2021.

## Admission to trading of the Capital Securities

The Issuer has the intention and shall use its best efforts (without assuming any legal or contractual obligation) to ensure (a) that the Capital Securities are admitted to trading on the corporate bond list of Nasdaq Stockholm or, if such admission to trading is not possible to obtain or maintain, admitted to trading on another Regulated Market within thirty (30) days after the Issue Date, (b) that the Capital Securities, once admitted to trading on Nasdaq Stockholm (or, if applicable, any other Regulated Market), continue being listed thereon. The aforementioned shall however not apply from and including the last day on which the admission reasonably can, pursuant to the then applicable regulations of the Regulated Market and the CSD, subsist.

It is estimated that the Issuer’s costs in conjunction with the admission to trading will be no higher than SEK 500,000.

## Decisions by Holders

A request by the Agent for a decision by the Holders on a matter relating to the Terms and Conditions shall (at the option of the Agent) be dealt with at a Holders’ Meeting or by way of a Written Procedure.

Only a Holder, or a person who has been provided with a power of attorney or other authorisation pursuant to Clause 7 (*Right to act on behalf of a Holder*) of the Terms and Conditions from a Holder:

- (a) on the Business Day specified in the notice pursuant to Clause 15.2.2 of the Terms and Conditions, in respect of a Holders’ Meeting or
- (b) on the Business Day specified in the communication pursuant to Clause 15.3.2 of the Terms and Conditions, in respect of a Written Procedure;

may exercise voting rights as a Holder at such Holders’ Meeting or in such Written Procedure, provided that the relevant Capital Securities are included in the Adjusted Nominal Amount.

A matter decided at a duly convened and held Holders’ Meeting or by way of Written Procedure is binding on all Holders, irrespective of them being present or represented at the Holders’ Meeting or responding in the Written Procedure. The Holders that have not adopted or voted for a decision shall not be liable for any damages that this may cause the Issuer or the other Holders.

Information about decisions taken at a Holders’ Meeting or by way of a Written Procedure shall promptly be published on the websites of the Issuer and the Agent, provided that a failure to do so shall not invalidate any decision made or voting result achieved. The minutes from the relevant Holders’ Meeting or Written Procedure shall at the request of a Holder be sent to it by the Issuer or the Agent, as applicable.

See further in Clause 15 (*Decisions by Holders*) of the Terms and Conditions.

## No direct action by Holders

- 8.2 If a Holder has registered, through an Account Operator, that principal, interest or any other payment shall be deposited in a certain bank account, such deposits will be effected by the CSD on the relevant payment date. Should the CSD, due to a delay on behalf of the Issuer or some other obstacle, not be able to effect payments as aforesaid, the Issuer shall procure that such amounts are paid as soon as possible after such obstacle has been removed.
- 8.3 If, due to any obstacle for the CSD, the Issuer cannot make a payment or repayment, such payment or repayment may be postponed until the obstacle has been removed.
- 8.4 If payment or repayment is made in accordance with this Clause 8, the Issuer and the CSD shall be deemed to have fulfilled their obligation to pay, irrespective of whether such payment was made to a person not entitled to receive such amount.
- 8.5 The Issuer is not liable to gross-up any payments under the Terms and Conditions by virtue of any withholding tax, public levy or the similar.

## 9. INTEREST

### 9.1 Interest

- 9.1.1 Each Capital Security carries Interest at the applicable Interest Rate applied to the Nominal Amount from (but excluding) the Issue Date up to (and including) the relevant Redemption Date.
- 9.1.2 Interest accrues during an Interest Period. Subject to Clause 10 (*Optional Interest Deferral*), payment of Interest in respect of the Capital Securities shall be made to the Holders on each Interest Payment Date for the preceding Interest Period.
- 9.1.3 Interest shall be calculated on the basis of the actual number of days in the Interest Period in respect of which payment is being made divided by 360 (actual/360-days basis).
- 9.1.4 Payment of Interest in respect of each Interest Period may be deferred in accordance with Clause 10 (*Optional Interest Deferral*).

### 9.2 Step-up after a Change of Control Event

Notwithstanding any other provision of this Clause 9, if the Issuer does not elect to redeem the Capital Securities in accordance with Clause 11.5 (*Change of Control Event*) following the occurrence of a Change of Control Event, the then prevailing Interest Rate, and each subsequent Interest Rate otherwise determined in accordance with the provisions of this Clause 9, on the Capital Securities shall be increased by 500 basis points *per annum* with effect from (but excluding) the Change of Control Step-up Date up to (and including) the relevant Redemption Date.

### 9.3 Default interest

If the Issuer fails to pay any amount payable by it pursuant to Clause 10.3 (*Mandatory settlement*) or Clause 11 (*Redemption and repurchase of the Capital Securities*) (except for Clause 11.1 (*No maturity*), Clause 11.2 (*Purchase of Capital Securities by Group Companies*) and Clause 11.7 (*Cancellation of Capital Securities*)) on its due date, default interest shall accrue on the overdue amount from (but excluding) the due date up to (and including) the date of actual payment at a rate which is 200 basis points *per annum* higher than the Interest Rate. Accrued default interest shall not be capitalised. No default interest shall accrue where the failure to pay was solely attributable to the Agent or the CSD, in which case the Interest Rate shall apply instead.

## 10. OPTIONAL INTEREST DEFERRAL

### 10.1 Deferral of Interest Payments

- 10.1.1 The Issuer may, at any time and at its sole discretion, elect to defer any Interest Payment, in whole or in part, which is otherwise scheduled to be paid on an Interest Payment Date (except on any Interest Payment Date on which the Capital Securities are to be redeemed) by giving notice of such election to the Holders, the Issuing Agent and the Agent in accordance with Clause 23 (*Notices*) not less than seven (7) Business Days prior to the relevant Interest Payment Date. Notwithstanding the foregoing, failure to give such notice shall not prejudice the right of the Issuer to defer any Interest Payment as described above.
- 10.1.2 If the Issuer makes only a partial payment of interest on an Interest Payment Date, such amount shall be applied equally to each Capital Security.
- 10.1.3 Any Interest Payment so deferred pursuant to this Clause 10 shall, from (but excluding) the Interest Payment Date on which such Interest Payment would (but for its deferral) have been payable to (and including) the date on which it is paid in full, itself bear interest at the Interest Rate prevailing from time to time (which interest shall compound on each Interest Payment Date) and, for so long as the same remains unpaid, such deferred interest (together with the interest accrued thereon) shall constitute “**Deferred Interest**”.
- 10.1.4 The deferral of an Interest Payment in accordance with this Clause 10 shall not constitute a default pursuant to Clause 14 (*Default and Enforcement*) by the Issuer under the Capital Securities or for any other purpose.

**10.2 Optional Settlement**

Deferred Interest may be paid, in whole or in part, at any time at the option of the Issuer following delivery of a notice to such effect given by the Issuer to the Holders, the Issuing Agent and the Agent in accordance with Clause 23 (*Notices*) not less than seven (7) Business Days prior to the date (to be specified in such notice) on which the Issuer will pay such Deferred Interest.

**10.3 Mandatory settlement**

The Issuer shall pay any Deferred Interest, in whole but not in part, on the first to occur of the following dates:

- (a) the tenth (10<sup>th</sup>) Business Day following the date on which a Deferred Interest Payment Event occurs;
- (b) any Interest Payment Date in respect of which the Issuer does not elect to defer all of the interest accrued in respect of the relevant Interest Period; and
- (c) the date on which the Capital Securities are redeemed or repaid in accordance with Clause 11 (*Redemption and repurchase of the Capital Securities*) or Clause 14 (*Default and Enforcement*).

Notice of any Deferred Interest Payment Event shall be given by the Issuer to the Holders, the Issuing Agent and the Agent in accordance with Clause 23 (*Notices*) within three (3) Business Days of such event.

**11. REDEMPTION AND REPURCHASE OF THE CAPITAL SECURITIES****11.1 No maturity**

**11.2 Purchase of Capital Securities by Group Companies**

11.2.1 The Issuer or any other Group Company may, subject to applicable regulations, at any time and at any price purchase Capital Securities on the market or in any other way.

11.2.2 Capital Securities held by the Issuer or a Group Company may at such Group Company's discretion be retained or sold or, if held by the Issuer, cancelled by the Issuer, provided that the aggregate principal amount of the Capital Securities subject to such cancellation represents eighty (80) per cent. or more of the aggregate principal amount of the Capital Securities issued.

**11.3 Voluntary total redemption (call option)**

The Issuer may redeem all, but not some only, of the outstanding Capital Securities in full on the First Call Date or on any Interest Payment Date thereafter at an amount per Capital Security equal to 100 per cent. of the Nominal Amount together with any Deferred Interest and any other accrued and unpaid interest up to (and including) the Redemption Date.

**11.4 Voluntary redemption due to an Accounting Event, a Substantial Repurchase Event, a Tax Deductibility Event or a Withholding Tax Event**

Upon the occurrence of an Accounting Event, a Substantial Repurchase Event, a Tax Deductibility Event or a Withholding Tax Event which is continuing the Issuer may, subject to Clause 12 (*Preconditions to Special Event Redemption or Change of Control Event Redemption*), redeem all, but not some only, of the Capital Securities at an amount equal to:

- (a) 101 per cent. of their principal amount, where such redemption occurs before the First Call Date; or

- (b) 100 per cent. of their principal amount, where such redemption occurs on or after the First Call Date,

together, in each case, with any Deferred Interest and any other accrued and unpaid interest up to (and including) the Redemption Date.

together, in each case, with any Deferred Interest and any other accrued and unpaid interest up to (and including) the Redemption Date.

11.5.2 Immediately upon the Issuer becoming aware that a Change of Control Event has occurred, the Issuer shall give notice to the Agent, the Issuing Agent and the Holders in accordance with Clause 23 (*Notices*) specifying the nature of the Change of Control Event.

## 11.6 Notice of redemption

Redemption in accordance with Clauses 11.3, 11.4, or 11.5.1 shall be made by the Issuer giving not less than thirty (30) Business Days' notice and not more than sixty (60) Business Days' notice to the Holders and the Agent, in each case calculated from the effective date of the notice. The Notice from the Issuer shall specify the Redemption Date and also the Record Date on which a person shall be registered as a Holder to receive the amounts due on such Redemption Date. The notice is irrevocable but may in the case of a redemption in accordance with Clause 11.3, at the Issuer's discretion, contain one or more conditions precedent that shall be satisfied prior to the Record Date. Upon fulfilment of the conditions precedent (if any), the Issuer shall redeem the Capital Securities in full at the applicable amount on the specified Redemption Date.

## 11.7 Cancellation of Capital Securities

All Capital Securities which are redeemed pursuant to this Clause 11 and all Capital Securities purchased and elected to be cancelled pursuant to Clause 11.2 (*Purchase of Capital Securities by Group Companies*) will be cancelled and may not be reissued or resold. The Issuer shall promptly inform the Holders, the Agent and the Issuing Agent in accordance with Clause 23 (*Notices*) of any such cancellation and for so long as the Capital Securities are admitted to trading on Nasdaq Stockholm or another Regulated Market, as the case may be, and the rules of such exchange so require, the Issuer shall promptly inform Nasdaq Stockholm or the Regulated Market, as the case may be, of the cancellation of any Capital Securities under this Clause 11.

## 12. PRECONDITIONS TO SPECIAL EVENT REDEMPTION OR CHANGE OF CONTROL EVENT REDEMPTION

12.2 In addition, in the case of an Accounting Event, a Tax Deductibility Event or a Withholding Tax Event, the Issuer shall deliver to the Agent and the Issuing Agent an opinion of independent legal, accounting or other tax advisers to the effect that the relevant requirement or circumstance giving rise to the right to redeem is satisfied (save, in the case of a Withholding Tax Event, as to whether reasonable measures to avoid paying additional amounts are available to the Issuer). Such certificate and, if applicable, opinion, shall be conclusive and binding on the Holders.

- 12.3 Any redemption of the Capital Securities in accordance with Clause 11 (*Redemption and repurchase of the Capital Securities*) shall be conditional on all Deferred Interest being paid in full in accordance with the provisions of Clause 10.3 (*Mandatory settlement*) on or prior to the date of such redemption.

### 13. ADMISSION TO TRADING

The Issuer has the intention and shall use its best efforts (without assuming any legal or contractual obligation) to ensure:

- (a) that the Capital Securities are admitted to trading on the corporate bond list of Nasdaq Stockholm or, if such admission to trading is not possible to obtain or maintain, admitted to trading on another Regulated Market within thirty (30) days after the Issue Date;
- (b) that the Capital Securities, once admitted to trading on the relevant Regulated Market, continue being listed thereon. The aforementioned shall however not apply from and including the last day on which the admission reasonably can, pursuant to the then applicable regulations of the Regulated Market and the CSD, subsist.

### 14. DEFAULT AND ENFORCEMENT

#### 14.1 Proceedings

- 14.1.1 Without prejudice to the Issuer's right to defer the payment of interest under Clause 10 (*Optional Interest Deferral*), if a default is made by the Issuer for a period of thirty (30) days or more in relation to the payment of any interest, principal or premium in respect of the Capital Securities which is due and payable, then the Issuer shall be deemed to be in default under the Capital Securities and the Agent (acting on instructions of the Holders in accordance with these Terms and Conditions) or (subject to Clause 21.2) any Holder may institute proceedings for an Issuer Winding-up provided that such default is still continuing.

- 14.1.2 In the event of an Issuer Winding-up, a Holder may, provided such Holder does not contravene a previously adopted resolution in accordance with Clause 15.4.2 or 15.4.3 (if any), either independently or through the Agent prove and/or claim in such Issuer Winding-up in respect of the Capital Securities, such claim being for such amount, and being subordinated in such manner, as is provided under Clause 3.2.

#### 14.2 Enforcement

The Agent (acting on the instructions of the Holders in accordance with these Terms and Conditions) may institute such proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the Capital Securities but in no event shall the Issuer, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

#### 14.3 Extent of Holders' Remedy

No remedy against the Issuer, other than as referred to in this Clause 14, shall be available to the Agent and the Holders in relation to the Capital Securities, whether for the recovery of amounts owing in respect of the Capital Securities or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Capital Securities.

### 15. DECISIONS BY HOLDERS

#### 15.1 Request for a decision

- 15.1.1 A request by the Agent for a decision by the Holders on a matter relating to the Terms and Conditions shall (at the option of the Agent) be dealt with at a Holders' Meeting or by way of a Written Procedure.
- 15.1.2 Any request from the Issuer or a Holder (or Holders) representing at least ten (10) per cent. of the Adjusted Nominal Amount (such request shall, if made by several Holders, be made by them jointly) for a decision by the Holders on a matter relating to the Terms and Conditions shall be directed to the Agent and dealt with at a Holders' Meeting or by way a Written Procedure, as determined by the Agent. The person requesting the decision may suggest the form for decision making, but if it is in

the Agent's opinion more appropriate that a matter is dealt with at a Holders' Meeting than by way of a Written Procedure, it shall be dealt with at a Holders' Meeting.

- 15.1.3 The Agent may refrain from convening a Holders' Meeting or instigating a Written Procedure if (i) the suggested decision must be approved by any person in addition to the Holders and such person has informed the Agent that an approval will not be given, or (ii) the suggested decision is not in accordance with applicable regulations.
- 15.1.4 The Agent shall not be responsible for the content of a notice for a Holders' Meeting or a communication regarding a Written Procedure unless and to the extent it contains information provided by the Agent.
- 15.1.5 Should the Agent not convene a Holders' Meeting or instigate a Written Procedure in accordance with these Terms and Conditions, without Clause 15.1.3 being applicable, the Issuer or the Holder(s) requesting a decision by the Holders may convene such Holders' Meeting or instigate such Written Procedure, as the case may be, instead. The Issuer or the Issuing Agent shall upon request provide the convening Holder(s) with the information available in the Debt Register in order to convene and hold the Holders' Meeting or instigate and carry out the Written Procedure, as the case may be. The Issuer or Holder(s), as applicable, shall supply to the Agent a copy of the dispatched notice or communication.
- 15.1.6 Should the Issuer want to replace the Agent, it may (i) convene a Holders' Meeting in accordance with Clause 15.2 (*Convening of Holders' Meeting*) or (ii) instigate a Written Procedure by sending communication in accordance with Clause 15.3 (*Instigation of Written Procedure*). After a request from the Holders pursuant to Clause 18.4.3, the Issuer shall no later than ten (10) Business Days after receipt of such request (or such later date as may be necessary for technical or administrative reasons) convene a Holders' Meeting in accordance with Clause 15.2. The Issuer shall inform the Agent before a notice for a Holders' Meeting or communication relating to a Written Procedure where the Agent is proposed to be replaced is sent and supply to the Agent a copy of the dispatched notice or communication.
- 15.1.7 Should the Issuer or any Holder(s) convene a Holders' Meeting or instigate a Written Procedure pursuant to Clause 15.1.5 or 15.1.6, then the Agent shall no later than five (5) Business Days' prior to dispatch of such notice or communication be provided with a draft thereof. The Agent may further append information from it together with the notice or communication, provided that the Agent supplies such information to the Issuer or the Holder(s), as the case may be, no later than one (1) Business Day prior to the dispatch of such notice or communication.

## **15.2 Convening of Holders' Meeting**

- 15.2.1 The Agent shall convene a Holders' Meeting by way of notice to the Holders as soon as practicable and in any event no later than five (5) Business Days after receipt of a complete notice from the Issuer or the Holder(s) (or such later date as may be necessary for technical or administrative reasons).
- 15.2.2 The notice pursuant to Clause 15.2.1 shall include (i) time for the meeting, (ii) place for the meeting, (iii) a specification of the Record Date on which a person must be registered as a Holder in order to be entitled to exercise voting rights, (iv) a form of power of attorney, and (v) the agenda for the meeting. The reasons for, and contents of, each proposal as well as any applicable conditions and conditions precedent shall be specified in the notice. If a proposal concerns an amendment to the Terms and Conditions, such proposed amendment must always be set out in detail. Should prior notification by the Holders be required in order to attend the Holders' Meeting, such requirement shall be included in the notice.
- 15.2.3 The Holders' Meeting shall be held no earlier than ten (10) Business Days and no later than thirty (30) Business Days after the effective date of the notice.
- 15.2.4 Without amending or varying these Terms and Conditions, the Agent may prescribe such further regulations regarding the convening and holding of a Holders' Meeting as the Agent may deem appropriate. Such regulations may include a possibility for Holders to vote without attending the meeting in person.

## **15.3 Instigation of Written Procedure**

- 15.3.1 The Agent shall instigate a Written Procedure by way of sending a communication to the Holders as soon as practicable and in any event no later than five (5) Business Days after receipt of a complete

communication from the Issuer or the Holder(s) (or such later date as may be necessary for technical or administrative reasons).

15.3.2 A communication pursuant to Clause 15.3.1 shall include (i) a specification of the Record Date on which a person must be registered as a Holder in order to be entitled to exercise voting rights, (ii) instructions and directions on where to receive a form for replying to the request (such form to include an option to vote yes or no for each request) as well as a form of power of attorney, and (iii) the stipulated time period within which the Holder must reply to the request (such time period to last at least ten (10) Business Days and not longer than thirty (30) Business Days from the effective date of the communication pursuant to Clause 15.3.1). The reasons for, and contents of, each proposal as well as any applicable conditions and conditions precedent shall be specified in the notice. If a proposal concerns an amendment to the Terms and Conditions, such proposed amendment must always be set out in detail. If the voting is to be made electronically, instructions for such voting shall be included in the communication.

15.3.3 If so elected by the person requesting the Written Procedure and provided that it is also disclosed in the communication pursuant to Clause 15.3.1, when consents from Holders representing the requisite majority of the total Adjusted Nominal Amount pursuant to Clauses 15.4.2 and 15.4.3 have been received in a Written Procedure, the relevant decision shall be deemed to be adopted pursuant to Clause 15.4.2 or 15.4.3, as the case may be, even if the time period for replies in the Written Procedure has not yet expired.

#### 15.4 Majority, quorum and other provisions

15.4.1 Only a Holder, or a person who has been provided with a power of attorney or other authorisation pursuant to Clause 7 (*Right to act on behalf of a Holder*) from a Holder:

- (a) on the Business Day specified in the notice pursuant to Clause 15.2.2, in respect of a Holders' Meeting, or
- (b) on the Business Day specified in the communication pursuant to Clause 15.3.2, in respect of a Written Procedure,

Each whole Capital Security entitles to one vote and any fraction of a Capital Security voted for by a person shall be disregarded. Such Business Day specified pursuant to paragraph (a) or (b) above must fall no earlier than one (1) Business Day after the effective date of the notice or communication, as the case may be.

15.4.2 The following matters shall require the consent of Holders representing at least sixty-six and two thirds (66⅔) per cent. of the Adjusted Nominal Amount for which Holders are voting at a Holders' Meeting or for which Holders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 15.3.2:

This includes, but is not limited to, any amendment to, or waiver of, the terms of the Terms and Conditions that does not require a higher majority (other than an amendment permitted pursuant to Clause 16.1(a) or (c)).
- 15.4.4 Quorum at a Holders' Meeting or in respect of a Written Procedure only exists if a Holder (or Holders) representing at least fifty (50) per cent. of the Adjusted Nominal Amount in case of a matter pursuant to Clause 15.4.2, and otherwise twenty (20) per cent. of the Adjusted Nominal Amount:
  - (a) if at a Holders' Meeting, attend the meeting in person or by other means prescribed by the Agent pursuant to Clause 15.2.4 (or appear through duly authorised representatives); or
  - (b) if in respect of a Written Procedure, reply to the request.
- 15.4.5 If a quorum exists for some but not all of the matters to be dealt with at a Holders' Meeting or by a Written Procedure, decisions may be taken in the matters for which a quorum exists.
- 15.4.6 If a quorum does not exist at a Holders' Meeting or in respect of a Written Procedure, the Agent or the Issuer shall convene a second Holders' Meeting (in accordance with Clause 15.2.1) or initiate a second Written Procedure (in accordance with Clause 15.3.1), as the case may be, provided that the person(s) who initiated the procedure for Holders' consent has confirmed that the relevant proposal is not withdrawn. For the purposes of a second Holders' Meeting or second Written Procedure pursuant to this Clause 15.4.6, the date of request of the second Holders' Meeting pursuant to Clause 15.2.1 or second Written Procedure pursuant to Clause 15.3.1, as the case may be, shall be deemed to be the relevant date when the quorum did not exist. The quorum requirement in Clause 15.4.4 shall not apply to such second Holders' Meeting or Written Procedure.
- 15.4.7 Any decision which extends or increases the obligations of the Issuer or the Agent, or limits, reduces or extinguishes the rights or benefits of the Issuer or the Agent, under the Terms and Conditions shall be subject to the Issuer's or the Agent's consent, as applicable.
- 15.4.8 A Holder holding more than one Capital Security need not use all its votes or cast all the votes to which it is entitled in the same way and may in its discretion use or cast some of its votes only.
- 15.4.9 The Issuer may not, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any owner of Capital Securities (irrespective of whether such person is a Holder) for or as inducement to any consent under these Terms and Conditions, unless such consideration is offered to all Holders that consent at the relevant Holders' Meeting or in a Written Procedure within the time period stipulated for the consideration to be payable or the time period for replies in the Written Procedure, as the case may be.
- 15.4.10 A matter decided at a duly convened and held Holders' Meeting or by way of Written Procedure is binding on all Holders, irrespective of them being present or represented at the Holders' Meeting or responding in the Written Procedure. The Holders that have not adopted or voted for a decision shall not be liable for any damages that this may cause the Issuer or the other Holders.
- 15.4.11 All costs and expenses incurred by the Issuer or the Agent for the purpose of convening a Holders' Meeting or for the purpose of carrying out a Written Procedure, including reasonable fees to the Agent, shall be paid by the Issuer.
- 15.4.12 If a decision is to be taken by the Holders on a matter relating to the Terms and Conditions, the Issuer shall promptly at the request of the Agent provide the Agent with a certificate specifying the number of Capital Securities owned by Group Companies as per the Record Date for voting, irrespective of whether such person is a Holder. The Agent shall not be responsible for the accuracy of such certificate or otherwise be responsible for determining whether a Capital Security is owned by a Group Company.
- 15.4.13 Information about decisions taken at a Holders' Meeting or by way of a Written Procedure shall promptly be published on the websites of the Issuer and the Agent, provided that a failure to do so shall not invalidate any decision made or voting result achieved. The minutes from the relevant

Holders' Meeting or Written Procedure shall at the request of a Holder be sent to it by the Issuer or the Agent, as applicable.

## 16. AMENDMENTS AND WAIVERS

16.1 The Issuer and the Agent (acting on behalf of the Holders) may agree in writing to amend or waive any provision in the Terms and Conditions or any other document relating to the Capital Securities, provided that the Agent is satisfied that such amendment or waiver:

- (b) is made solely for the purpose of rectifying obvious errors and mistakes;
- (c) is required by any applicable regulation, a court ruling or a decision by a relevant authority;

- (e) is made pursuant to Clause 17 (*Replacement of Base Rate*); or
- (f) has been duly approved by the Holders in accordance with Clause 15 (*Decisions by Holders*) and it has received any conditions precedent specified for the effectiveness of the approval by the Holders.

16.2 The consent of the Holders is not necessary to approve the particular form of any amendment or waiver to these Terms and Conditions. It is sufficient if such consent approves the substance of the amendment or waiver.

16.3 The Agent shall promptly notify the Holders of any amendments or waivers made in accordance with Clause 16.1, setting out the date from which the amendment or waiver will be effective, and ensure that any amendments to these Terms and Conditions are available on the websites of the Issuer and the Agent. The Issuer shall ensure that any amendments to these Terms and Conditions are duly registered with the CSD and each other relevant organisation or authority.

16.4 An amendment to the Terms and Conditions shall take effect on the date determined by the Holders' Meeting, in the Written Procedure or by the Agent, as the case may be.

For the avoidance of doubt, the Issuer will not be obliged to take any such actions until obliged to do so pursuant to Clause 17.3.2.
- 17.3.2 If (i) a Base Rate Event has occurred or (ii) a Base Rate Event Announcement has been made and the announced Base Rate Event will occur within six (6) months, the Issuer shall use all commercially reasonable endeavours to, as soon as reasonably practicable and at the Issuer’s expense, appoint an Independent Adviser to determine, as soon as commercially reasonable, a Successor Base Rate or (if there is no Successor Base Rate) an Alternative Base Rate and, in each case, the Adjustment Spread and any Base Rate Amendments for purposes of determining and calculating the applicable Base Rate.

#### **17.4 Interim measures**

17.4.1 If a Base Rate Event has occurred but no Successor Base Rate or Alternative Base Rate and Adjustment Spread have been determined at least ten (10) Business Days prior to the relevant Quotation Day in relation to the next succeeding Interest Period, the Interest Rate applicable to the next succeeding Interest Period shall be:

The Successor Base Rate or Alternative Base Rate, the Adjustment Spread and any Base Rate Amendments (as applicable) specified in such certificate will, in the absence of manifest error or bad faith in any determination, be binding on the Issuer, the Agent, the Issuing Agent and the Holders.

17.6.2 Subject to receipt by the Agent of the certificate referred to in Clause 17.6.1, the Issuer and the Agent shall, at the request and expense of the Issuer, without the requirement for any consent or approval of the Holders, without undue delay effect such amendments to the Finance Documents as may be required by the Issuer in order to give effect to this Clause 17.

**17.7 Limitation of liability for the Independent Adviser**

Any Independent Adviser appointed pursuant to Clause 17.3 shall not be liable whatsoever for damage or loss caused by any determination, action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct. The Independent Adviser shall never be responsible for indirect or consequential loss.

**17.8 Failure to comply**

Failure by the Issuer to comply with the provisions of this Clause 17 shall, for the avoidance of doubt, not constitute a default pursuant to Clause 14 (*Default and Enforcement*) by the Issuer under the Capital Securities or for any other purpose.

**18. THE AGENT****18.1 Appointment of the Agent**

18.1.1 By subscribing for Capital Securities, each initial Holder appoints the Agent to act as its agent in all matters relating to the Capital Securities and the Terms and Conditions, and authorises the Agent to act on its behalf (without first having to obtain its consent, unless such consent is specifically required by these Terms and Conditions) in any legal or arbitration proceedings relating to the Capital Securities held by such Holder, including the winding-up, dissolution, liquidation, company reorganisation (*företagsrekonstruktion*) or bankruptcy (*konkurs*) (or its equivalent in any other jurisdiction) of the Issuer. By acquiring Capital Securities, each subsequent Holder confirms such appointment and authorisation for the Agent to act on its behalf.

18.1.2 Each Holder shall immediately upon request provide the Agent with any such documents, including a written power of attorney (in form and substance satisfactory to the Agent), that the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Terms and Conditions. The Agent is under no obligation to represent a Holder which does not comply with such request.

18.1.3 The Issuer shall promptly upon request provide the Agent with any documents and other assistance (in form and substance satisfactory to the Agent), that the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Terms and Conditions.

18.1.4 The Agent is entitled to fees for all its work in such capacity and to be indemnified for costs, losses and liabilities on the terms set out in the Terms and Conditions and the Agency Agreement and the Agent's obligations as Agent under the Terms and Conditions are conditioned upon the due payment of such fees and indemnifications.

18.2.4 The Agent shall treat all Holders equally and, when acting pursuant to the Terms and Conditions, act with regard only to the interests of the Holders as a group and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other person, other than as explicitly stated in the Terms and Conditions.

18.2.5 The Agent is always entitled to delegate its duties to other professional parties and to engage external experts when carrying out its duties as agent, without having to first obtain any consent from the Holders or the Issuer. The Agent shall however remain liable for any actions of such parties if such parties are performing duties of the Agent under the Terms and Conditions.

- 18.2.15 If a committee representing the Holders' interests under the Terms and Conditions has been appointed by the Holders in accordance with Clause 15 (*Decisions by Holders*), the members of such committee may agree with the Issuer not to disclose information received from the Issuer, provided that it, in the reasonable opinion of such members, is beneficial to the interests of the Holders. The Agent shall be a party to such agreement and receive the same information from the Issuer as the members of the committee.
- 18.3 Liability for the Agent**
- 18.3.1 The Agent will not be liable to the Holders for damage or loss caused by any action taken or omitted by it under or in connection with these Terms and Conditions, unless directly caused by its negligence or wilful misconduct. The Agent shall never be responsible for indirect or consequential loss.
- 18.3.2 The Agent shall not be considered to have acted negligently if it has acted in accordance with advice from or opinions of reputable external experts provided to the Agent or if the Agent has acted with

reasonable care in a situation when the Agent considers that it is detrimental to the interests of the Holders to delay the action in order to first obtain instructions from the Holders.

- 18.3.3 The Agent shall not be liable for any delay (or any related consequences) in crediting an account with an amount required pursuant to the Terms and Conditions to be paid by the Agent to the Holders, provided that the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.
- 18.3.4 The Agent shall have no liability to the Issuer or the Holders for damage caused by the Agent acting in accordance with instructions of the Holders given in accordance with the Terms and Conditions.

The aforementioned shall however not apply from and including the last day on which the admission reasonably can, pursuant to the then applicable regulations of the Regulated Market and the CSD, subsist.

**14. DEFAULT AND ENFORCEMENT****14.1 Proceedings**

14.1.1 Without prejudice to the Issuer's right to defer the payment of interest under Clause 10 (*Optional Interest Deferral*), if a default is made by the Issuer for a period of thirty (30) days or more in relation to the payment of any interest, principal or premium in respect of the Capital Securities which is due and payable, then the Issuer shall be deemed to be in default under the Capital Securities and the Agent (acting on instructions of the Holders in accordance with these Terms and Conditions) or (subject to Clause 21.2) any Holder may institute proceedings for an Issuer Winding-up provided that such default is still continuing.

14.1.2 In the event of an Issuer Winding-up, a Holder may, provided such Holder does not contravene a previously adopted resolution in accordance with Clause 15.4.2 or 15.4.3 (if any), either independently or through the Agent prove and/or claim in such Issuer Winding-up in respect of the Capital Securities, such claim being for such amount, and being subordinated in such manner, as is provided under Clause 3.2.

**14.2 Enforcement**

The Agent (acting on the instructions of the Holders in accordance with these Terms and Conditions) may institute such proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the Capital Securities but in no event shall the Issuer, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

**14.3 Extent of Holders' Remedy**

No remedy against the Issuer, other than as referred to in this Clause 14, shall be available to the Agent and the Holders in relation to the Capital Securities, whether for the recovery of amounts owing in respect of the Capital Securities or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Capital Securities.

**15. DECISIONS BY HOLDERS****15.1 Request for a decision**

15.1.1 A request by the Agent for a decision by the Holders on a matter relating to the Terms and Conditions shall (at the option of the Agent) be dealt with at a Holders' Meeting or by way of a Written Procedure.

15.1.2 Any request from the Issuer or a Holder (or Holders) representing at least ten (10) per cent. of the Adjusted Nominal Amount (such request shall, if made by several Holders, be made by them jointly) for a decision by the Holders on a matter relating to the Terms and Conditions shall be directed to the Agent and dealt with at a Holders' Meeting or by way a Written Procedure, as determined by the Agent. The person requesting the decision may suggest the form for decision making, but if it is in the Agent's opinion more appropriate that a matter is dealt with at a Holders' Meeting than by way of a Written Procedure, it shall be dealt with at a Holders' Meeting.

15.1.3 The Agent may refrain from convening a Holders' Meeting or instigating a Written Procedure if (i) the suggested decision must be approved by any person in addition to the Holders and such person has informed the Agent that an approval will not be given, or (ii) the suggested decision is not in accordance with applicable regulations.

15.1.4 The Agent shall not be responsible for the content of a notice for a Holders' Meeting or a communication regarding a Written Procedure unless and to the extent it contains information provided by the Agent.

15.1.5 Should the Agent not convene a Holders' Meeting or instigate a Written Procedure in accordance with these Terms and Conditions, without Clause 15.1.3 being applicable, the Issuer or the Holder(s) requesting a decision by the Holders may convene such Holders' Meeting or instigate such Written Procedure, as the case may be, instead. The Issuer or the Issuing Agent shall upon request provide the convening Holder(s) with the information available in the Debt Register in order to convene and hold the Holders' Meeting or instigate and carry out the Written Procedure, as the case may be. The Issuer or Holder(s), as applicable, shall supply to the Agent a copy of the dispatched notice or communication.

15.1.6 Should the Issuer want to replace the Agent, it may (i) convene a Holders' Meeting in accordance with Clause 15.2 (*Convening of Holders' Meeting*) or (ii) instigate a Written Procedure by sending communication in accordance with Clause 15.3 (*Instigation of Written Procedure*). After a request from the Holders pursuant to Clause 18.4.3, the Issuer shall no later than ten (10) Business Days after receipt of such request (or such later date as may be necessary for technical or administrative reasons) convene a Holders' Meeting in accordance with Clause 15.2. The Issuer shall inform the Agent before a notice for a Holders' Meeting or communication relating to a Written Procedure where the Agent is proposed to be replaced is sent and supply to the Agent a copy of the dispatched notice or communication.

15.1.7 Should the Issuer or any Holder(s) convene a Holders' Meeting or instigate a Written Procedure pursuant to Clause 15.1.5 or 15.1.6, then the Agent shall no later than five (5) Business Days' prior to dispatch of such notice or communication be provided with a draft thereof. The Agent may further append information from it together with the notice or communication, provided that the Agent supplies such information to the Issuer or the Holder(s), as the case may be, no later than one (1) Business Day prior to the dispatch of such notice or communication.

## 15.2 Convening of Holders' Meeting

- 15.2.1 The Agent shall convene a Holders' Meeting by way of notice to the Holders as soon as practicable and in any event no later than five (5) Business Days after receipt of a complete notice from the Issuer or the Holder(s) (or such later date as may be necessary for technical or administrative reasons).
- 15.2.2 The notice pursuant to Clause 15.2.1 shall include (i) time for the meeting, (ii) place for the meeting, (iii) a specification of the Record Date on which a person must be registered as a Holder in order to be entitled to exercise voting rights, (iv) a form of power of attorney, and (v) the agenda for the meeting. The reasons for, and contents of, each proposal as well as any applicable conditions and conditions precedent shall be specified in the notice. If a proposal concerns an amendment to the Terms and Conditions, such proposed amendment must always be set out in detail. Should prior notification by the Holders be required in order to attend the Holders' Meeting, such requirement shall be included in the notice.
- 15.2.3 The Holders' Meeting shall be held no earlier than ten (10) Business Days and no later than thirty (30) Business Days after the effective date of the notice.
- 15.2.4 Without amending or varying these Terms and Conditions, the Agent may prescribe such further regulations regarding the convening and holding of a Holders' Meeting as the Agent may deem appropriate. Such regulations may include a possibility for Holders to vote without attending the meeting in person.

## 15.3 Instigation of Written Procedure

- 15.3.1 The Agent shall instigate a Written Procedure by way of sending a communication to the Holders as soon as practicable and in any event no later than five (5) Business Days after receipt of a complete communication from the Issuer or the Holder(s) (or such later date as may be necessary for technical or administrative reasons).
- 15.3.2 A communication pursuant to Clause 15.3.1 shall include (i) a specification of the Record Date on which a person must be registered as a Holder in order to be entitled to exercise voting rights, (ii) instructions and directions on where to receive a form for replying to the request (such form to include an option to vote yes or no for each request) as well as a form of power of attorney, and (iii) the stipulated time period within which the Holder must reply to the request (such time period to last at least ten (10) Business Days and not longer than thirty (30) Business Days from the effective date of the communication pursuant to Clause 15.3.1). The reasons for, and contents of, each proposal as well as any applicable conditions and conditions precedent shall be specified in the notice. If a proposal concerns an amendment to the Terms and Conditions, such proposed amendment must always be set out in detail. If the voting is to be made electronically, instructions for such voting shall be included in the communication.
- 15.3.3 If so elected by the person requesting the Written Procedure and provided that it is also disclosed in the communication pursuant to Clause 15.3.1, when consents from Holders representing the requisite majority of the total Adjusted Nominal Amount pursuant to Clauses 15.4.2 and 15.4.3 have been received in a Written Procedure, the relevant decision shall be deemed to be adopted pursuant to Clause 15.4.2 or 15.4.3, as the case may be, even if the time period for replies in the Written Procedure has not yet expired.

## 15.4 Majority, quorum and other provisions

- 15.4.1 Only a Holder, or a person who has been provided with a power of attorney or other authorisation pursuant to Clause 7 (*Right to act on behalf of a Holder*) from a Holder:
- (a) on the Business Day specified in the notice pursuant to Clause 15.2.2, in respect of a Holders' Meeting, or
  - (b) on the Business Day specified in the communication pursuant to Clause 15.3.2, in respect of a Written Procedure,

may exercise voting rights as a Holder at such Holders' Meeting or in such Written Procedure, provided that the relevant Capital Securities are included in the Adjusted Nominal Amount. Each whole Capital Security entitles to one vote and any fraction of a Capital Security voted for by a person shall be disregarded. Such Business Day specified pursuant to paragraph (a) or (b) above must fall no earlier than one (1) Business Day after the effective date of the notice or communication, as the case may be.

- 15.4.2 The following matters shall require the consent of Holders representing at least sixty-six and two thirds (66⅔) per cent. of the Adjusted Nominal Amount for which Holders are voting at a Holders' Meeting or for which Holders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 15.3.2:
- (a) a change of Issuer;
  - (b) a change to the currency, denomination, status or transferability of the Capital Securities;
  - (c) a change to the Interest Rate or the Nominal Amount;
  - (d) any delay of the due date for payment of any interest on the Capital Securities other than as permitted pursuant to Clause 10 (*Optional Interest Deferral*);
  - (e) a reduction of the premium payable upon the redemption or repurchase of any Capital Security pursuant to Clause 11 (*Redemption and repurchase of the Capital Securities*);
  - (f) a change to the terms dealing with the requirements for Holders' consent set out in this Clause 15.4 (*Majority, quorum and other provisions*);
  - (g) an extension of the tenor of the Capital Securities or any delay of the due date for payment of any principal or interest on the Capital Securities;
  - (h) a mandatory exchange of the Capital Securities for other securities; and
  - (i) early redemption of the Capital Securities, other than as otherwise permitted or required by these Terms and Conditions.
- 15.4.3 Any matter not covered by Clause 15.4.2, including for the avoidance of doubt the initiation of an Issuer Winding-up, shall require the consent of Holders representing more than fifty (50) per cent. of the Adjusted Nominal Amount for which Holders are voting at a Holders' Meeting or for which Holders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 15.3.2. This includes, but is not limited to, any amendment to, or waiver of, the terms of the Terms and Conditions that does not require a higher majority (other than an amendment permitted pursuant to Clause 16.1(a) or (c)).
- 15.4.4 Quorum at a Holders' Meeting or in respect of a Written Procedure only exists if a Holder (or Holders) representing at least fifty (50) per cent. of the Adjusted Nominal Amount in case of a matter pursuant to Clause 15.4.2, and otherwise twenty (20) per cent. of the Adjusted Nominal Amount:
- (a) if at a Holders' Meeting, attend the meeting in person or by other means prescribed by the Agent pursuant to Clause 15.2.4 (or appear through duly authorised representatives); or
  - (b) if in respect of a Written Procedure, reply to the request.
- 15.4.5 If a quorum exists for some but not all of the matters to be dealt with at a Holders' Meeting or by a Written Procedure, decisions may be taken in the matters for which a quorum exists.
- 15.4.6 If a quorum does not exist at a Holders' Meeting or in respect of a Written Procedure, the Agent or the Issuer shall convene a second Holders' Meeting (in accordance with Clause 15.2.1) or initiate a second Written Procedure (in accordance with Clause 15.3.1), as the case may be, provided that the person(s) who initiated the procedure for Holders' consent has confirmed that the relevant proposal is not withdrawn. For the purposes of a second Holders' Meeting or second Written Procedure pursuant to this Clause 15.4.6, the date of request of the second Holders' Meeting pursuant to Clause 15.2.1 or second Written Procedure pursuant to Clause 15.3.1, as the case may be, shall be deemed to be the relevant date when the quorum did not exist. The quorum requirement in Clause 15.4.4 shall not apply to such second Holders' Meeting or Written Procedure.
- 15.4.7 Any decision which extends or increases the obligations of the Issuer or the Agent, or limits, reduces or extinguishes the rights or benefits of the Issuer or the Agent, under the Terms and Conditions shall be subject to the Issuer's or the Agent's consent, as applicable.
- 15.4.8 A Holder holding more than one Capital Security need not use all its votes or cast all the votes to which it is entitled in the same way and may in its discretion use or cast some of its votes only.
- 15.4.9 The Issuer may not, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any owner of Capital Securities (irrespective of whether such person is a Holder) for or as inducement to any consent under these Terms and Conditions, unless such consideration is offered to

all Holders that consent at the relevant Holders' Meeting or in a Written Procedure within the time period stipulated for the consideration to be payable or the time period for replies in the Written Procedure, as the case may be.

- 15.4.10 A matter decided at a duly convened and held Holders' Meeting or by way of Written Procedure is binding on all Holders, irrespective of them being present or represented at the Holders' Meeting or responding in the Written Procedure. The Holders that have not adopted or voted for a decision shall not be liable for any damages that this may cause the Issuer or the other Holders.
- 15.4.11 All costs and expenses incurred by the Issuer or the Agent for the purpose of convening a Holders' Meeting or for the purpose of carrying out a Written Procedure, including reasonable fees to the Agent, shall be paid by the Issuer.
- 15.4.12 If a decision is to be taken by the Holders on a matter relating to the Terms and Conditions, the Issuer shall promptly at the request of the Agent provide the Agent with a certificate specifying the number of Capital Securities owned by Group Companies as per the Record Date for voting, irrespective of whether such person is a Holder. The Agent shall not be responsible for the accuracy of such certificate or otherwise be responsible for determining whether a Capital Security is owned by a Group Company.
- 15.4.13 Information about decisions taken at a Holders' Meeting or by way of a Written Procedure shall promptly be published on the websites of the Issuer and the Agent, provided that a failure to do so shall not invalidate any decision made or voting result achieved. The minutes from the relevant Holders' Meeting or Written Procedure shall at the request of a Holder be sent to it by the Issuer or the Agent, as applicable.

## **16. AMENDMENTS AND WAIVERS**

- 16.1 The Issuer and the Agent (acting on behalf of the Holders) may agree in writing to amend or waive any provision in the Terms and Conditions or any other document relating to the Capital Securities, provided that the Agent is satisfied that such amendment or waiver:
- (a) is not detrimental to the interest of the Holders as a group;
  - (b) is made solely for the purpose of rectifying obvious errors and mistakes;
  - (c) is required by any applicable regulation, a court ruling or a decision by a relevant authority;
  - (d) is necessary for the purpose of having the Capital Securities admitted to trading on Nasdaq Stockholm (or any other Regulated Market, as applicable), provided that such amendment or waiver does not materially adversely affect the rights of the Holders; or
  - (e) has been duly approved by the Holders in accordance with Clause 15 (*Decisions by Holders*) and it has received any conditions precedent specified for the effectiveness of the approval by the Holders.
- 16.2 The consent of the Holders is not necessary to approve the particular form of any amendment or waiver to these Terms and Conditions. It is sufficient if such consent approves the substance of the amendment or waiver.
- 16.3 The Agent shall promptly notify the Holders of any amendments or waivers made in accordance with Clause 16.1, setting out the date from which the amendment or waiver will be effective, and ensure that any amendments to these Terms and Conditions are available on the websites of the Issuer and the Agent. The Issuer shall ensure that any amendments to these Terms and Conditions are duly registered with the CSD and each other relevant organisation or authority.
- 16.4 An amendment to the Terms and Conditions shall take effect on the date determined by the Holders' Meeting, in the Written Procedure or by the Agent, as the case may be.

## **17. THE AGENT**

### **17.1 Appointment of the Agent**

- 17.1.1 By subscribing for Capital Securities, each initial Holder appoints the Agent to act as its agent in all matters relating to the Capital Securities and the Terms and Conditions, and authorises the Agent to

act on its behalf (without first having to obtain its consent, unless such consent is specifically required by these Terms and Conditions) in any legal or arbitration proceedings relating to the Capital Securities held by such Holder, including the winding-up, dissolution, liquidation, company reorganisation (*företagsrekonstruktion*) or bankruptcy (*konkurs*) (or its equivalent in any other jurisdiction) of the Issuer. By acquiring Capital Securities, each subsequent Holder confirms such appointment and authorisation for the Agent to act on its behalf.

- 17.1.2 Each Holder shall immediately upon request provide the Agent with any such documents, including a written power of attorney (in form and substance satisfactory to the Agent), that the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Terms and Conditions. The Agent is under no obligation to represent a Holder which does not comply with such request.
- 17.1.3 The Issuer shall promptly upon request provide the Agent with any documents and other assistance (in form and substance satisfactory to the Agent), that the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Terms and Conditions.
- 17.1.4 The Agent is entitled to fees for all its work in such capacity and to be indemnified for costs, losses and liabilities on the terms set out in the Terms and Conditions and the Agency Agreement and the Agent's obligations as Agent under the Terms and Conditions are conditioned upon the due payment of such fees and indemnifications.
- 17.1.5 The Agent may act as agent or trustee for several issues of securities issued by or relating to the Issuer and other Group Companies notwithstanding potential conflicts of interest.

## **17.2 Duties of the Agent**

- 17.2.1 The Agent shall represent the Holders in accordance with the Terms and Conditions.
- 17.2.2 When acting pursuant to the Terms and Conditions, the Agent is always acting with binding effect on behalf of the Holders. The Agent is never acting as an advisor to the Holders or the Issuer. Any advice or opinion from the Agent does not bind the Holders or the Issuer.
- 17.2.3 When acting pursuant to the Terms and Conditions, the Agent shall carry out its duties with reasonable care and skill in a proficient and professional manner.
- 17.2.4 The Agent shall treat all Holders equally and, when acting pursuant to the Terms and Conditions, act with regard only to the interests of the Holders as a group and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other person, other than as explicitly stated in the Terms and Conditions.
- 17.2.5 The Agent is always entitled to delegate its duties to other professional parties and to engage external experts when carrying out its duties as agent, without having to first obtain any consent from the Holders or the Issuer. The Agent shall however remain liable for any actions of such parties if such parties are performing duties of the Agent under the Terms and Conditions.
- 17.2.6 The Issuer shall on demand by the Agent pay all costs for external experts engaged by it in (i) a matter relating to the Issuer or the Terms and Conditions which the Agent reasonably believes may be detrimental to the interests of the Holders under the Terms and Conditions, and (ii) connection with any Holders' Meeting or Written Procedure, or (iii) in connection with any amendment (whether contemplated by the Terms and Conditions or not) or waiver under the Terms and Conditions.
- 17.2.7 The Agent shall, as applicable, enter into agreements with the CSD, and comply with such agreement and the CSD Regulations applicable to the Agent, as may be necessary in order for the Agent to carry out its duties under the Terms and Conditions.
- 17.2.8 Other than as specifically set out in the Terms and Conditions, the Agent shall not be obliged to monitor (i) the performance, default or any breach by the Issuer or any other party of its obligations under the Terms and Conditions, or (ii) whether any other event specified in the Terms and Conditions has occurred. Should the Agent not receive such information, the Agent is entitled to assume that no such event or circumstance exists or can be expected to occur, provided that the Agent does not have actual knowledge of such event or circumstance.
- 17.2.9 The Agent shall ensure that it receives evidence satisfactory to it that the Terms and Conditions are duly authorised and executed. The Issuer shall promptly upon request provide the Agent with such documents and evidence as the Agent reasonably considers necessary for the purpose of being able to comply with this Clause 17.2.9. Other than as set out above, the Agent shall neither be liable to the Issuer or the Holders for damage due to any documents and information delivered to the Agent not

being accurate, correct and complete, unless it has actual knowledge to the contrary, nor be liable for the content, validity, perfection or enforceability of such documents.

- 17.2.10 Notwithstanding any other provision of the Terms and Conditions to the contrary, the Agent is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any regulation.
- 17.2.11 If in the Agent's reasonable opinion the cost, loss or liability which it may incur (including reasonable fees to the Agent) in complying with instructions of the Holders, or taking any action at its own initiative, will not be covered by the Issuer, the Agent may refrain from acting in accordance with such instructions, or taking such action, until it has received such funding or indemnities (or adequate Security has been provided therefore) as it may reasonably require.
- 17.2.12 The Agent shall give a notice to the Holders:
- (a) before it ceases to perform its obligations under the Terms and Conditions by reason of the non-payment by the Issuer of any fee or indemnity due to the Agent under the Terms and Conditions or the Agency Agreement: or
  - (b) if it refrains from acting for any reason described in Clause 18.2.11.
- 17.2.13 Subject to applicable regulations, the Agent shall promptly upon the reasonable request by a Holder forward by post any information from such Holder to the Holders which relates to the Capital Securities. The Agent may require that the requesting Holder reimburses any costs or expenses incurred, or to be incurred, by it in doing so (including a reasonable fee for its work).
- 17.2.14 Subject to the restrictions of a non-disclosure agreement entered into by the Agent in connection with these Terms and Conditions, the Agent is entitled to disclose to the Holders any document, information, event or circumstance directly or indirectly relating to the Issuer or the Capital Securities. Notwithstanding the foregoing, the Agent may if it considers it to be beneficial to the interests of the Holders delay disclosure or refrain from disclosing certain information.
- 17.2.15 If a committee representing the Holders' interests under the Terms and Conditions has been appointed by the Holders in accordance with Clause 15 (*Decisions by Holders*), the members of such committee may agree with the Issuer not to disclose information received from the Issuer, provided that it, in the reasonable opinion of such members, is beneficial to the interests of the Holders. The Agent shall be a party to such agreement and receive the same information from the Issuer as the members of the committee.

### **17.3 Liability for the Agent**

- 17.3.1 The Agent will not be liable to the Holders for damage or loss caused by any action taken or omitted by it under or in connection with these Terms and Conditions, unless directly caused by its negligence or wilful misconduct. The Agent shall never be responsible for indirect or consequential loss.
- 17.3.2 The Agent shall not be considered to have acted negligently if it has acted in accordance with advice from or opinions of reputable external experts provided to the Agent or if the Agent has acted with reasonable care in a situation when the Agent considers that it is detrimental to the interests of the Holders to delay the action in order to first obtain instructions from the Holders.
- 17.3.3 The Agent shall not be liable for any delay (or any related consequences) in crediting an account with an amount required pursuant to the Terms and Conditions to be paid by the Agent to the Holders, provided that the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.
- 17.3.4 The Agent shall have no liability to the Issuer or the Holders for damage caused by the Agent acting in accordance with instructions of the Holders given in accordance with the Terms and Conditions.
- 17.3.5 Any liability towards the Issuer which is incurred by the Agent in acting under, or in relation to, the Terms and Conditions shall not be subject to set-off against the obligations of the Issuer to the Holders under the Terms and Conditions.

**17.4 Replacement of the Agent**

- 17.4.1 Subject to Clause 17.4.6, the Agent may resign by giving notice to the Issuer and the Holders, in which case the Holders shall appoint a successor Agent at a Holders' Meeting convened by the retiring Agent or by way of Written Procedure initiated by the retiring Agent.
- 17.4.2 Subject to Clause 17.4.6, if the Agent is Insolvent, the Agent shall be deemed to resign as Agent and the Issuer shall within ten (10) Business Days appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- 17.4.3 A Holder (or Holders) representing at least ten (10) per cent. of the Adjusted Nominal Amount may, by notice to the Issuer (such notice shall, if given by several Holders, be given by them jointly), require that a Holders' Meeting is held for the purpose of dismissing the Agent and appointing a new Agent. The Issuer may, at a Holders' Meeting convened by it or by way of Written Procedure initiated by it, propose to the Holders that the Agent be dismissed and a new Agent appointed.
- 17.4.4 If the Holders have not appointed a successor Agent within ninety (90) days after:
- (a) the earlier of the notice of resignation was given or the resignation otherwise took place; or
  - (b) the Agent was dismissed through a decision by the Holders,
- the Issuer shall within thirty (30) days thereafter appoint a successor Agent which shall be an independent financial institution or other reputable company with the necessary resources to act as agent under debt issuances.
- 17.4.5 The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Terms and Conditions.
- 17.4.6 The Agent's resignation or dismissal shall only take effect upon the earlier of:
- (a) the appointment of a successor Agent and acceptance by such successor Agent of such appointment and the execution of all necessary documentation to effectively substitute the retiring Agent; and
  - (b) the period pursuant to Clause 17.4.4 having lapsed.
- 17.4.7 Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Terms and Conditions but shall remain entitled to the benefit of the Terms and Conditions and remain liable under the Terms and Conditions in respect of any action which it took or failed to take whilst acting as Agent. Its successor, the Issuer and each of the Holders shall have the same rights and obligations amongst themselves under the Terms and Conditions as they would have had if such successor had been the original Agent.
- 17.4.8 In the event that there is a change of the Agent in accordance with this Clause 17.4, the Issuer shall execute such documents and take such actions as the new Agent may reasonably require for the purpose of vesting in such new Agent the rights, powers and obligation of the Agent and releasing the retiring Agent from its further obligations under the Terms and Conditions and the Agency Agreement. Unless the Issuer and the new Agent agree otherwise, the new Agent shall be entitled to the same fees and the same indemnities as the retiring Agent.

**18. THE ISSUING AGENT**

- 18.1 The Issuer shall when necessary appoint an Issuing Agent to manage certain specified tasks under these Terms and Conditions and in accordance with the legislation, rules and regulations applicable to and/or issued by the CSD and relating to the Capital Securities. The Issuing Agent shall be a commercial bank or securities institution approved by the CSD.
- 18.2 The Issuer shall ensure that the Issuing Agent enters into agreements with the CSD, and comply with such agreement and the CSD Regulations applicable to the Issuing Agent, as may be necessary in order for the Issuing Agent to carry out its duties relating to the Capital Securities.
- 18.3 The Issuing Agent will not be liable to the Holders for damage or loss caused by any action taken or omitted by it under or in connection with the Terms and Conditions, unless directly caused by its gross

negligence or wilful misconduct. The Issuing Agent shall never be responsible for indirect or consequential loss.

## **19. THE CSD**

19.1 The Issuer has appointed the CSD to manage certain tasks under these Terms and Conditions and in accordance with the CSD Regulations and the other regulations applicable to the Capital Securities.

19.2 The CSD may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has effectively appointed a replacement CSD that accedes as CSD at the same time as the old CSD retires or is dismissed and provided also that the replacement does not have a negative effect on any Holder or the admission to trading of the Capital Securities on the Regulated Market. The replacing CSD must be authorised to professionally conduct clearing operations pursuant to the Swedish Securities Markets Act (*lag (2007:528) om värdepappersmarknaden*) and be authorised as a central securities depository in accordance with the Central Securities Depositories and Financial Instruments Accounts Act.

## **20. NO DIRECT ACTIONS BY HOLDERS**

20.1 A Holder may not take any steps whatsoever against the Issuer to enforce or recover any amount due or owing to it pursuant to the Terms and Conditions, or to initiate, support or procure the winding-up, dissolution, liquidation, company reorganisation or bankruptcy in any jurisdiction of any Group Company in relation to any of the obligations and liabilities of the Issuer or any Subsidiary under the Terms and Conditions. Such steps may only be taken by the Agent.

20.2 Clause 21.1 shall not apply if the Agent has been instructed by the Holders in accordance with the Terms and Conditions to take certain actions but fails for any reason to take, or is unable to take (for any reason other than a failure by a Holder to provide documents in accordance with Clause 18.1.2), such actions within a reasonable period of time and such failure or inability is continuing. However, if the failure to take certain actions is caused by the non-payment of any fee or indemnity due to the Agent under the Terms and Conditions or the Agency Agreement or by any reason described in Clause 18.2.11, such failure must continue for at least forty (40) Business Days after notice pursuant to Clause 18.2.12 before a Holder may take any action referred to in Clause 21.1.

## **21. PRESCRIPTION**

21.1 The right to receive repayment of the principal of the Capital Securities shall be prescribed and become void ten (10) years from the relevant Redemption Date. The right to receive payment of interest (excluding any capitalised interest) shall be prescribed and become void three (3) years from the relevant due date for payment. The Issuer is entitled to any funds set aside for payments in respect of which the Holders' right to receive payment has been prescribed and has become void.

21.2 If a limitation period is duly interrupted in accordance with the Swedish Act on Limitations (*preskriptionslag (1981:130)*), a new limitation period of ten (10) years with respect to the right to receive repayment of the principal of the Capital Securities, and of three (3) years with respect to receive payment of interest (excluding capitalised interest) will commence, in both cases calculated from the date of interruption of the limitation period, as such date is determined pursuant to the provisions of the Swedish Act on Limitations.

## **22. NOTICES**

## DESCRIPTION OF SWEDAVIA AB (PUBL)

---

### Business

The Company, Swedavia AB (publ), has been Sweden's state airport group since 1 April 2010, when the Swedish Civil Aviation Administration (*Luffartsverket*) was divided into two parts: the airports and the air traffic service. The background to the Swedish Parliament's decision is the different business conditions that apply to each business. For Swedavia, the incorporation creates better business opportunities. The corporate form has a regulatory system that is adapted for companies that act in a commercial environment, it provides the conditions for a faster decision-making process and facilitates collaboration with other parties.

Swedavia is wholly owned by the Swedish state. Swedavia has the mission to operate and develop the ten airports that are part of the national basic supply and to contribute to good accessibility for Sweden and the country's regions. Swedavia's role is to create the accessibility that Sweden needs to facilitate travel, business and meetings – within Sweden, Europe and the world. Safety and sustainable development with the customer in focus is the starting point for everything Swedavia does, both in its own operations and in society at large. Together with its partners, Swedavia creates added value for its customers by offering attractive airports and accessibility that provide smooth and inspiring travel experiences. Swedavia's airports should be Scandinavia's most important meeting places, the Company must be an international model in sustainability and a growth engine for all of Sweden. Swedavia is a world leader in the development of airports with the lowest possible climate impact.<sup>2</sup>

In 2020, the Group had net revenue of SEK 2,494 M and had approximately an average number of 2,600 employees.

### January–September 2021 in brief<sup>3</sup>

- External costs and staff expenses totalled SEK 2,268 million (SEK 2,520 million).
- Operating profit was SEK -1,119 million (SEK -717 million), the change in operating profit is largely explained by lower capital gains in the real estate segment.

- Profit for the period was SEK -905 million (SEK -489 million).
- Cash flow from operating activities for the third quarter was positive, SEK 93 million (SEK -422). For the first nine months of the year, cash flow from operating activities was SEK -535 million (SEK -572).

- The operating cost per departing passenger increased to SEK 212.6 (SEK 200.7 in 2018) due to the lower number of passengers.
