Specifications sheet

VBY-075

Delivery address:

Visby Airport
621 41 VISBY
Att: Sara Nässén
Delivery: All days at the information desk

Contact person:

Sara Nässén, 010- 109 52 07 076-7213207
sara.nassen@swedavia.se

The material must be delivered no later than five working days before campaigne start.

Technical details:

Custom-made advertisement area in arriving passenger flow.

Type of sign:

Foiled and analogue advertisement areas.

Space visible/production dimensions:

See appendix.

Material (all material must be fire-classified):

Foil: Window graphic.

Cover plate: consult airport personnel.

B1 flammability class as per DIN 4102.

Construction:

The foil shall be easy to install and remove and shall not leave glue residue. The material must also be adapted to the out-doors, and thereby withstand both cold and heat.

Material and installation device for the analogue signs shall be developed in consultation with the airport.

NOTE: due to the placement of the advertisement product on airside the insallation needs to be approved by the airport and security department before production/installation.

Packaging and marking:

(Rolled onto a hard core)
The material must be clearly marked with the advertiser, campaignperiod, subject and indexnumber, as well as a picture of the subject. The material must also be clearly marked with the airport contact person.

Production:

Since it is complicated to produce this product, production may only be carried out by a printing firm with enough knowledge about these systems. Contact Swedavia for further information.
